Napanee, June 6.—The death occurred at 4 o'clock on Sunday last, of Mrs. J. P. Parly, wife of a former Grand Trunk agent at Napanee. The town of Napanee played for the first of the season in the Harvey Warner Park last evening. The evening was beautiful and the citizens turned out en masse to listen to the music. It is the intention of the band to furnish the citizens with music every Friday evening throughout the summer.

Monday is election day and all the "wise ones" are predicting the election of the people's candidate, M. S. Madole. The only doubt seems to be the size of the majority.

There being no criminal cases for the sessions the grand jury have been notified by the sheriff not to appear.

From Stratton, New Ontario. Stratton, June 3.—The recent electric storm did a lot of damage. Lightning struck J. Cunningham's house, and tore off one of Mr. Cunningham's shoes and part of his clothes, and knocked him unconscious. He came in on time to crawl out of the house before it collapsed.

James Garrick fell off the C. N. R. bridge and was drowned. He leaves a wife and five children.

On Friday the school picnic was held in Mr. Edmond's grove. Hiram Barker is running the ferry from Campville to Frontenac.

The farmers are whistling a merry tune, as the crops look fine, since the recent storms. Mr. and Mrs. W. W. Paton, passed through town on a trip from Smith's Falls.

Quite a few more townships will soon be ready for settlers as the surveys are reported to be at work. The water in the Rainy river is very high. Banks are washing away in many places. The wolves are making great howling about as they are quite plentiful, giving the deer a hard time of it. Quite a number of moose have been seen lately.

The football team is the topic of the day. H. Barker took the team to Boucherville last week. Not a goal was scored by either team. On returning his boat was nearly filled with water by such tremendous rain. A. Campville is erecting a new home-stead.

HELD UP THEIR PAY.

What Nickle's Party Did to Our Soldiers.

Mr. Penne, Catorquiqui ward, he said, was going to stand by Mr. Penne on Monday and give him a stirring majority.

Mr. Penne, in addressing the permanent soldiers, a large number of whom were present, pointed out that it was Mr. Nickle's party at Ottawa that had blocked the passing of the money grants.

Mr. Penne's party had done to hold up the wages of the "Soldiers of the King," a thing most outrageous. The artillerists, he said, would not forget this on Monday.

To Be Married in Boston. Mrs. Horace Lewis Smith, of Boston, Mass., announces the engagement of her daughter, Harriet, to Mr. Ernest Penne, of the Montreal Herald.

Drink For Health.

To be healthy and water ought to be good, taste good and be good. To be good in every sense it must be made from perfect materials and free from contamination of every kind.

Our clean, purified glasses are typical of the purity of our soda. It is the kind that always follows the sparkling side, never lags, today, that Penne would defeat Nickle.

Still Betting On Penne.

Notwithstanding the fact that Mr. Metcalfe has virtually dropped out of the race, betting still continues on Mr. Penne. Several well-known betting men, who always follow the betting side, placed bets, today, that Penne would defeat Nickle.

Unitarian. REV. C. W. CASSON. Unitarian Liberty. Channing, the Unitarian leader, expressed the thought of every Unitarian minister when he said, "I belong to a community of free minds that love the truth I desire to escape from the narrow bounds of any particular church, in order to live under the open heaven, in the full light of day, seeing with my own eyes, and pursuing the truth resolutely, however military or arduous the path it leads to. I am not the mouthpiece of a sect; I speak for myself alone, and I thank God that I live in times and circumstances which make it a duty for me to open my whole soul frankly and unreservedly."
