

GIVEN SEVEN YEARS

J. E. ANDERSON CONVICTED OF BIGAMY.

He Will Be in the Penitentiary This Evening—His Crime Was Scathingly Denounced By the County Crown Attorney.

Renfrew, Ont., June 6.—J. A. Anderson, bigamist, formerly public school principal here, and lately inspector of schools, at Brockville, was sentenced to seven years in Kingston penitentiary for bigamy.

Constable Lee, Pembroke, accompanied Anderson to Renfrew and hundreds of people gathered at the station to get a glimpse of the prisoner. He appeared in good health and did not seem to mind very much the close scrutiny of the people. He had to walk two blocks to the office of the chief of police where he was allowed to change his attire. He appeared in court dressed in a blue suit and apparently composed, although at times he showed nervousness.

Before Police Magistrate Eady, of Renfrew, County Crown Attorney J. E. Metcalf, appearing on behalf of the crown, the prisoner having pleaded guilty, the evidence had been taken, but the crown attorney detailed the circumstances of the case as they had revealed themselves, and in a scathing address, pointing out that there were no extenuating circumstances, urged that the fullest punishment be meted out to the prisoner.

Asked by the magistrate if he had anything to say on his own behalf, Anderson said that he had done wrong, that he knew he deserved punishment, but threw himself on the mercy of the court.

The police magistrate said that he felt it his duty to impose the severest penalty possible, and sentenced Anderson to seven years in Kingston penitentiary.

The court room was crowded, and although the public indignation toward Anderson is intense, the sentence was received without demonstration. An hour afterwards Anderson was on his way to Kingston, in charge of Chief McErmott.

John Tease's Good Work While in Bradford Jail.

John Tease, who was brought to the penitentiary, to serve a life sentence for murder, was a very busy man while in the jail at Brampton, according to the story told by the constable who had him in charge. During his stay in the jail, he made a chain of about four hundred links, which he presented to the jailer's daughter, and he also made another chain of the same length which he gave to the turnkey's wife. This chain is sixty-one inches long, and makes a very attractive ornament. Tease learned the art from a fellow prisoner.

THE TIPPING SYSTEM.

"What can you tell me something you don't know about the tipping system in the cloakrooms of some of the large cafes?" remarked a midnight diner to his wife.

"Why, don't the small boys just pocket all they get?" inquired she.

"Pocket? Their uniforms are made without the sign of a pocket so that none of the tips can find a lodging there. Those boys get nothing but a salary, which is paid by the man who has purchased the check room privilege for as high as five thousand a year. The tips are all turned into him. You can imagine what the privilege is worth when he can pay down that sum for the right."

(Continued from page 7.)

One of the charming little al fresco teas which Mrs. George King, Alice street, and her daughters excel in giving, took place, on Thursday, with Mrs. T. G. Marquis as its raison d'etre. Tulips and lilies of the valley made the tea table, where the daughters of the house presided, look very lovely, and the carpet of fresh green grass, the canopy of trees, the glimpses of blue sky, made it all thoroughly delightful. Everybody was glad to see Mrs. King out-of-doors, and able to enter into the enjoyment of the afternoon, after her illness.

Among guests were: Mrs. Campbell Strange, Mrs. Herbert Robinson, Mrs. Bernard Browne, Mrs. Nellie Ferguson, Mrs. Herbert Horsey, Mrs. H. W. Richardson, Mrs. W. T. Connell, Mrs. J. Russell Stewart, Miss Julia Lyman, Miss Annie Dale, Miss May Ford, and Miss Alice Chown.

RIDEAU WARD PEOPLE

Haven't Forgotten Loss of Street Car Service.

At the Whig Hall meeting last evening, Ald. R. F. Elliott also paid his compliments to W. F. Nickle on the street railway question. He said that if Mr. Nickle had invited a lawyer like J. McDonald to speak, to debate the question with him last week, there would have been wig on the green, and Mr. Nickle would have emerged from the meeting in any thing but a hilarious mood. In his discussion, however, Mr. Nickle side-tracked the Williams branch matter. Ald. Elliott said he didn't know why he had deprived the people of Rideau ward of a railway service, which they needed so badly. He took off the caps, and allowed the trucks to be half buried and to become dangerous. The Rideau ward electors, Elliott said, wouldn't forget this on election day.

Ald. Elliott told the electors to pay no more attention to Mr. Nickle's roorooness that might be issued between now and Monday, or to any whisperings, either, but to go and mark their ballots for Mr. Pense.

I Took Pe-ru-na, Hardly Daring to Believe

So Writes Mr. Newhof, of Albany.

Pelvic Diseases in Men.

Many an invalid is dragging out a miserable existence with catarrh of the kidneys, catarrh of the bladder, or both.

There is no disease equal to catarrh of the bladder in producing complete wretchedness, absolute despair, haggard misery and stubborn weakness.

An army of this sort of victims have one by one discovered that Peruna could be relied upon to relieve such cases.

One man tells another man, and in this way the news spreads until in all parts of the country are to be found men who have been permanently liberated from the thralldom of catarrh of the bladder by a course of Peruna.

Many cases of catarrh of the stomach, kidneys and other abdominal organs have reported themselves as cured.

We give below two prominent testimonials which illustrate the benefit of Peruna in these cases.

Mr. C. B. Newhof, 10 Delaware street, Albany, N. Y., President Montefiore Club, writes:

"Since my advanced age I find that I have been frequently troubled with urinary ailments. The bladder seemed irritated, and my physician said that it was catarrh caused by a protracted cold which would be difficult to overcome on account of my advanced years. I took Peruna, hardly daring to believe that I would be helped, but found to my relief that I soon began to mend. The irritation gradually subsided, and the urinary difficulties passed away. I have enjoyed excellent health now for the past seven months. I enjoy my meals, sleep soundly, and am as well as I was twenty years ago. I give all praise to Peruna."

CHARLES B. NEWHOF

Catarrh of the Bladder.

Mr. C. B. Newhof, 10 Delaware street, Albany, N. Y., President Montefiore Club, writes:

"I was in good health until about four years ago, when my back became lame and sore. The pains kept increasing, with severe twitches and slow exhaustive aches. Urine was highly colored and passed with great irregularity. I knew this must be inflammation of the bladder.

"Having read of Peruna I decided to try it. I found relief from the pain within ten days. The aches gradually diminished, and it was a blessed relief I can assure you. Within three months I was well once more. My appetite had returned, nervousness and irritability were things of the past, and for over two years now I have been a healthy man.

"I give all thanks to your Peruna, and believe that it is a blessing to mankind."

Catarrh of Stomach and Kidneys.

Mr. H. L. Emery, Vice Chancellor and Master of Arms, K. P.'s, of Omaha, Neb., writes from 205 North Sixteenth street, the following words of praise for Peruna as a tonic. He says:

"It is with pleasure I recommend Peruna as a tonic of unusual merit. A large number of prominent members of the different orders with which I have been connected have been cured by the use of Peruna in cases of catarrh of the stomach and head; also in kidney complaints and weakness of the pelvic organs.

"Peruna tones up the system, aids digestion, induces sleep, and is well worthy the confidence of sufferers of the above complaints."

Mr. David L. Jaycox, Chaplain Clarinda I. O. G. T. and Chaplain G. A. R., 865 Broadway, Oakland, Cal., writes:

"I am an old war veteran. I contracted severe bladder and kidney trouble. I spent hundreds of dollars and consulted a host of doctors, but neither did me any good.

"Finally some of my comrades who had been cured by Peruna advised me to try it. I at once bought a bottle, and found it helped me so much that I kept using it for nearly four months.

"Peruna has proven the best medicine I ever used. My pains are gone and I believe myself to be cured. I feel well, and would not be without a bottle in time of need for ten times its cost."

Mr. Robert E. Hanvey, Treasurer Knights of Industrial Freedom, also a well known writer and lecturer, writes from 11 South Nicholas St., Chicago, Ill., as follows:

"I was in good health until about four years ago, when my back became lame and sore. The pains kept increasing, with severe twitches and slow exhaustive aches. Urine was highly colored and passed with great irregularity. I knew this must be inflammation of the bladder.

"Having read of Peruna I decided to try it. I found relief from the pain within ten days. The aches gradually diminished, and it was a blessed relief I can assure you. Within three months I was well once more. My appetite had returned, nervousness and irritability were things of the past, and for over two years now I have been a healthy man.

"I give all thanks to your Peruna, and believe that it is a blessing to mankind."

Will You Try An L. C. Smith Typewriter?

The Standard Visible Writer

We know other typewriters of all kinds and we know that the L. C. Smith has every improvement and every feature that any of them has—AND MORE. We want to place an L. C. Smith Bros.' Typewriter in your office AT OUR EXTENSIVE, and have you compare it part for part, feature for feature, with any other typewriter.

We will let the typewriter speak for itself. All we say about it and claim for it will be demonstrated by the machine itself more convincingly than we could tell it.

Then we want to leave the decision to you. If YOU want it then we will sell you one on favorable TERMS, or if you already have a machine we will take that in part payment.

THE TEST OR TRIAL WILL NOT COST YOU A PENNY.

This is the way we sell typewriters; it is good, fair, honest, it has not a weak link in the chain of fairness.

We do not belong to any trust and nobody dictates the PRICE we sell at or HOW we shall sell.

That's OUR business.

We sell our machine strictly on its merit.

All the writing on the L. C. Smith is always in sight, and direct in the line of vision. The WRITING LINE IS INDICATED, and the PRINTING POINT IS POINTED OUT so that the L. C. Smith is just WHAT WE CLAIM—a perfect VISIBLE typewriter.

The typebar and hanger are the heart of a typewriter, that means they are the most vital part—a weak typebar means a weak typewriter. Show us a typebar bearing that is narrow and has no wearing surface, and it tells us that under hard wear such a typewriter will not retain its alignment, and sooner or later will get out of order.

On the L. C. Smith the bearing is wide and the bar heavy, and will stand years and years of hard work.

Then again, with the L. C. Smith one machine is equipped to do all kinds of work—better writing, invoicing, billing, tabulating, figures, stencil cutting, without touching the ribbon and heavy manifold anything that any typewriter can do the L. C. Smith will do—and more.

You can lift the platen, or writing cylinder, right out and put in another in a second. You can write in two colors, and you do not have to touch your ribbon from the time you put it in the machine till it is worn out.

You can do all these things, and many more, and do them better than you can with any other typewriter.

WILL YOU DO THIS?

And remember THIS IS the machine we want to place in your office—on TRIAL and examination AT OUR EXPENSE. It doesn't cost you a penny to try it.

Typewriter Supplies for all makes of machines. Typewriters Rented and Repaired—all makes.
