

**A GIRL'S LETTER.**

Miss Rose Hurst, 333 Harris Street,  
Appleton, Wis., Writes Something  
of Interest to All Women.

**Read What She Says:**

"I WANT to say a word for *Peruna* for systemic catarrh and trust others who read this may try it and receive the same good from it that I did. I had been ailing for a long time and nothing seemed to do me any good, although I tried many doctors and many medicines. I had become so bad that there was no pleasure in living."

"I was finally asked by a friend to try *Peruna*, which I did, with many misgivings. What was my delight, after taking the first bottle, to see a great change for the better and I kept on improving until completely recovered."

"I now feel like a new woman. It has done wonders for me and I gladly recommend it to others!"—Rose Hurst.

No ailing woman can fail to be interested in the above testimonial. Miss Hurst was persuaded by a friend to try *Peruna*, and she is now perfectly well and feels like another woman. Such is her story in brief.

**TO EVADE THE BLAME****DELAY IN PAYING INTER-COLONIAL EMPLOYEES.****ORGANIZED OBSTRUCTION WILL HAVE TO BE DEAL WITH—ASKING FOR MONEY TO PAY CIVIL SERVANTS.**

Ottawa, June 9.—The opposition gave another flagrant exhibition of political insincerity to-day. They began the session by protesting their innocence of the charge of obstruction and occupied much valuable time in doing so, and then they proceeded to make the case against them more conclusive than ever by blocking the Intercolonial estimates the whole day, with the result that it was not until 11:25 to night that the one item under consideration was allowed to go through. It is true that the vote amounted to the considerable sum of \$82,250,000, but the nature of the questions asked and the organized manner in which a small clique of conservative members applied themselves to the process of bugging the minister of railways showed only two clearly the intentions of the opposition.

In a temperature which would have tried the physical capabilities of the strongest Hon. George P. Graham stood the *ordal* splendidly, and it was largely due to the way in which he handled the multifarious questions raised that he was able in the long run to wear down the opposition. The renewed attempt to throw dust in the eyes of the people by disclaiming responsibility for the delay of public business was originated by Mr. Foster, who strove hard to make it appear that the government were to blame for the fact that the employees of the Intercolonial were without their pay. For the third time within as many days Hon. Mr. Fielding reminded the opposition that the government had twice asked for a vote on account to cover salaries, and had been refused and granted only a part of what was requested in the other case. In his exposure of opposition duplicity the minister of Finance was vigorously supported by Hon. William Paterson, who declared, amid the ringing cheers of the liberal members that the obstruction which had been carried on would have to be dealt with. The session was well advanced before the house got into supply, with the result already stated. Before the house rose Mr. Graham made a request to have the salaries of canal employees passed, but Mr. Foster declined to accede to it, notwithstanding an assurance by the minister that an opportunity for full discussion would be afforded when the estimates on capital account came to be considered.

**DENNIS LYNCH PASSES AWAY.**

Berlin, N.Y., June 10.—Dennis Lynch, aged forty-one years, died Tuesday at his home. He conducted Ogdensburg's leading cafe for many years and was one of the best-known saloon men in Northern New York.

Mr. Lynch, some years ago, organized an Anti-prostitution League in connection with his business. On the cigar counter was a charity box and into this all who violated the rules against swearing were invited to deposit their fines. He had original ideas of conducting his business along an elevated scale and succeeded. He was a charter member of the Ogdensburg Lodge of Elks and also a member of the Hibernians and C.M.B.A. He was a democrat and during Cleveland's last term was deputy collector and inspector of customs. He is survived by his widow and five young children.

**WHAT WOMEN SUFFER.****ALL AGES NEED RICH BLOOD THAT PINK PILLS MAKE.**

A woman needs medicine more than a man. Her organism is more complex, her system more delicate. Her health is disturbed regularly in the course of nature. If anything happens to interfere with that natural course she goes through unspeakable suffering, in fact the health of every function and the health of every moment in a woman's life depend upon the richness and regularity of her blood supply. That is the simple scientific reason why Dr. Williams' Pink Pills are worth their weight in gold to women of all ages from early girlhood up—they actually make the rich red blood all women need.

Mr. Edwin Ward, Brookdale, Ont., says: "For years I suffered from those ailments that make the lives of many of my sex miserable. I would take weak spells and become nervous that I could not go about. My stomach was out of order, and I frequently vomited the food I took. Headaches and backaches afflicted me nearly all the time. Then I took a severe cold which settled on my lungs and I went to an hospital for treatment. I had the best of care, but the doctors gave me little hope of recovery. My face and limbs became swollen and my system raced with a harsh dry cough. As the doctors did not look hopefully upon my case, I decided to try Dr. Williams' Pink Pills. When the time I had taken half a dozen boxes there was a great change for the better. I still continued to take the pills until I had used thirteen boxes, and I am now enjoying perfect health. I have no hesitation in saying that I believe Dr. Williams' Pink Pills saved my life."

Dr. Williams' Pink Pills cured Mrs. Ward by actually making the new blood her system needed. That is all Dr. Williams' Pink Pills do, but they do it well. They don't act on the bowels. They don't bother with mere symptoms. They go straight to the root of the trouble in the blood. That is why they cure all blood and nerve troubles like anaemia, female irregularities, indigestion, rheumatism, headaches and backaches, sciatica, nervous prostration and St. Vitus dance. Substitutes and imitations won't cure, purging medicines only make you worse, therefore you must get the genuine pills with the full name "Dr. Williams' Pink Pills for Pale People" on the wrapper around every box. Sold by all medicine dealers, or by mail at 50c. a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

**A PETRIFIED FOREST.**

Curious Find in German Africa.

Berlin, June 10.—Governor Mansfield, in Ossining, Campeiros, has sent to the emperor an interesting report on a petrified forest discovered on an exploring tour in the land of the Bakogos.

The petrified trees are from thirty to seventy feet high and from two to three feet in diameter. The trees retain their form as to branches and twigs. The petrified forest is two miles long.

**THE DAILY BRITISH WHIG, WEDNESDAY, JUNE 10, 1908.**

**Told in Twilight**

Yesterday was an ideal day for croquet, or indeed anything else, so the second "party" was a great success. Mrs. Montague Strange and Mrs. W. St. Pierre Hughes were hostesses and their guests were Mrs. E. Taylor, Mrs. Radney Duff, Mrs. John Macnaughton, Mrs. Noel Kent, Mrs. Richard Hooper, and Miss Helen Fraser. Mrs. Hughes took them all over to tea at her house. There were a number of lookers-on, and the third green had its players also. There is no diminution in interest in this good lady-like sport.

Mr. and Mrs. George Steel, of Smith's Falls, announce the coming marriage of their daughter, Miss Georgina, to Mr. Percival St. Heller LeSueur, of the interior department, Ottawa, which will take place on June 19th, at the residence of the bride's parents. After their wedding trip Mr. and Mrs. LeSueur will spend the summer at Britannia.

A number of the girls, Miss Madeline Franklin, Miss Marion Redden, Miss Marion Calvin, Miss Fessie Smythe, Miss Frances Lewis, and others, including Miss Bessie Boyd, took luncheon at the Country Club yesterday; the feast being simplicity itself, and the enjoyment of each other's society and the country air and all were very great.

A few ladies dropped in at the tea hour, yesterday, at St. Andrew's manse, and met Miss Blackburn of Ottawa, who has been staying with Mrs. Robert Meikle, Clergy street. Miss Blackburn went to Belleville, last night, to see Judge and Mrs. Foran, and from there will leave for Sault Ste. Marie, to visit Mrs. Ross.

Possible visitors for the June ball will be Mr. and Mrs. Mulley and Miss Irene Mulley of Stamford, Connecticut; Miss Ahearn of Ottawa; and Miss Nan Gwyn, of Toronto, and if they come, Mrs. Cornelius Berningham, Barrie street, will be their hosts.

At Saturday's tennis tournament at the Country Club, Mrs. H. E. Burall and Captain Russell Brown won out against Miss Nora Gordon, and Mr. W. Irving. Mrs. Burall's prize was a beautiful silver frame. The prizes were put up by the players entering the contest.

If the weather holds, a marquee will be put up on the barracks square and supper will be served there at the ball to night. The band will also add another enjoyable feature.

Mrs. Henry Merrick, Bagot street, has asked a number of the younger people, Miss Marjory's friends, both boys and girls, to tea on Saturday afternoon.

The marriage of Miss Mary Etta Dennis, Portsmouth, to the Rev. Alfred Bright, B.A., Ingersoll, will take place on Tuesday, June 30th.

Some of the married ladies had a high tea and bridge, at the Country Club, last week, the affair being of the "Dutch treat" order.

Mrs. R. Waldron, "Arthur Place," will give a small tea, on Thursday, in honor of Mrs. George Boomer,

To-night is the night of the battery ball at Teles de Pont barracks.

There were several little picnics on Saturday, with Cedar Island and pretty spots along the lake shore as objective points.

The coming out festivity at "Annamdale," when Mrs. John
