When Launch Caught Fire.

New York, June 16.-Twenty fishermen had a narrow escape from drowning, yesterday, when their launch caught fire while off Seabright. The men had been out only a short time when the gasoline tank sprang a leak and the fluid dropped into the bottom of the boat. One of the fishermen threw away the butt of a lighted cigar and in a moment the entire boat was enveloped in flames. Capt. Joseph Ryerdan, who was in

charge of the launch, went overboard and was soon followed by the nineteen other men. Their brought several boats to their rescue, commended its committee to press for a large launch, was soon alongside the

YOUNG PEOPLE'S RALLY.

Held in Sydenham St. Church Monday Night.

The rally of young peoples' societies held last night, in Sydenham street church parlors, was one of the best ever held in the city. There was very large attendance. Rev. C. A. Sykes occupied the chair, and he was assisted in the opening exercises by Rev. F. Sproule, of Princess Street Methodist Large jar, 50c. Sold by all dealers.
