Told in Twilight

(Continued from page 7.)

A delightful dance, in spite of the weather man's attempt to ruin it was Mrs. Hugh Nickle's, at her big house, on Earl street, last night.

The original intention was to make the lovely lawn at the rear of the house, supper room, sitting-out place, and orchestra bower, but free lightning flashed fire, and the lawn, gay with chain-d electricity, shined through many colored globes, was quickly deserted.

The orchestra, Walker's, from the opera house, came indoors and supper was laid in the dining-room. Pink recondes filled the house with color and fragrance, and the delicate scent of masses of syringa mingled its health with sweetest. Mrs. Nickle received in a lovely gown of pink mousseline over pink silk, and with her was her sister, Mrs. W. J. Knox, of Kelowna, B.C., in whose honor the affair was given. Mrs. Knox was in yellow satin, made with the empire effect and trimmed with gold.

WOMEN TALK TO WOMEN About Pe-ru-na.

MRS. MCGOUGH. Depressed Feeling.

Mrs. M. McGough, 219 W. 53rd street, New York, N. Y., writes: "I gladly add my mite of praise to Peruna for what it has done for me. Two years ago a depressed feeling took hold of me. My back and sides ached continually. My stomach got out of order so that at times I could not hold a glass of cold water. I didn't like to eat, afraid that my stomach would get sick. I have been using Peruna for the three past months and now I feel as well as ever. My stomach is as strong as ever and my nervous troubles have disappeared. I keep recommending Peruna to my friends who are troubled as I was, and I have been thanked for doing so."

MRS. MOORE. Headache and Backache.

Mrs. Wilda Moore, R. F. D. 1, Leno, Ore., member Order of Washington, writes: "For the past four years I was a wretched woman—suffering with troubles peculiar to my sex, causing severe backache and bearing down pains and leaving me so weak and weary that I was only with difficulty that I was able to attend to my household duties. I used different remedies and injections, but found no relief until I had tried Peruna. Within two weeks there was a complete change for the better and in less than three months I was a well and happy woman and all the praise is due to Peruna."

MRS. NELSON. Headache and Backache.

Mrs. Tessie Nelson, 600 N. 5th Ave., Nashville, Tenn., writes: "As Peruna has done me a world of good, I feel in duty bound to tell of it, in hopes that it may meet the eye of some woman who has suffered as I did. For five years I really did not know what a perfectly well day was, and if I did not have headache, I had backache or a pain somewhere and really life was not worth the effort I made to keep going. "A good friend advised me to use Peruna and I was glad to try anything, and I am very pleased to say that six bottles made a new woman of me and I have no more pains and life looks bright again."

The above testimonials represent actual experience of every-day life. They are the truthful utterances of women who have been ill and have found a reliable remedy in Peruna. It means a great deal to the women of America who have at hand a remedy capable of performing such cures. Nervousness, backache, dyspepsia, headache, melancholy, bearing down pains. All these and a host of other symptoms are relieved by Peruna. At least this is what the women say. They have no object in saying such things, except to render truthful testimony to their suffering sisters. The reader will note by reading these testimonials that in most cases other remedies were tried, doctors were consulted, and finally Peruna came to their rescue and made them well again. Peruna is making such cures every day. It is the testimony of the people that has made Peruna so justly famous.

Suffered Thirteen Years.

Mrs. Anna Munden, Hollygrove, Ark., writes: "I suffered with female troubles for thirteen years. "I saw an advertisement of your Peruna and bought one bottle and before I had taken it all I could get out of bed and walk about. "After taking three bottles I was as well and hearty as ever and gained in flesh. I would not be without it."

Headache and Deafness.

Mrs. Mary E. Sampson, Londonderry, N. H., writes: "I had terrible headaches, both ears run and I was nervous all the time, was deaf in one ear for thirty years. I took six bottles of Peruna and one of Hamalin, and am happy to say that it is the best medicine that I ever heard of. I am not so nervous, my appetite is good, everything I eat agrees with me, and I am feeling better in every way."

A Severe Cold.

Miss Marie Calvin, 277 Main street, Cincinnati, Ohio, writes: "I caught a cold coming home from an evening party and as I did not pay particular attention to it, I quickly became worse and found myself in a serious condition. "I took Peruna and it brought me immediate relief. Within a week I was cured and now whenever I feel badly Peruna will set things right."
