BASEBALL SATURDAY THE VICTORIAS AND C. L. C. WINS THEIR GAMES.

Young Irishmen Defeated by a Score of 11 to 6 and R.C.H.A. Downed by 12 to 4—Game in Junior Series.

R.C.H.A.—4, C.L.C.—12. The above score was the result of the first game played at the cricket field, on Saturday afternoon. The R.C.H.A. started off well, but costly errors and inability to make hits, was the cause of their defeat. Finney scored the first run for the R.C.H.A., and then neither team made a tally until the fourth innings, when the C.L.C. chalked up three, Burke, Saunders and Dickson crossing the home plate. In the R.C.H.A., Bernier and Finney were the best players. Both played a very steady game, and Bernier worked hard for a victory. He was here there and everywhere, and was in the game until the very end. The C.L.C. team scored five runs in the seventh innings, Evans, Bohannon, Dickson, McGuire, and Davidson making the circuit. Bernier and Panet scored for the R.C.H.A. Nicholson gave every satisfaction as umpire. The teams lined up as follows: C.L.C.—Edford, 3b.; Ewart, p.; Mahon, 1b.; Dickson, 2b.; Bernier, 1b.; McGuire, r.f.; Davidson, c.f.; Saunders, s.s.; Burke, c. R.C.H.A.—Mohan, r.f.; Bernier, p.; Finney, s.s.; Shipton, 2b.; Sell, c.; Marshall, 1b.; Irving, c.f.; Henry, 3b.; Panet, 1b.

Score by innings: R.C.H.A. 0.0.0.1.0.2.0.0.—4. C.L.C. 0.0.0.3.2.0.5.0.2.—12.

The Second Game.

The second game, the Victorias vs. Young Irishmen, was far the best game, and attracted greater interest. The Victorias won out by a score of 11 to 6. Gillespie pitched for five innings for the Vics, and did good work, and was relieved by Dick, who was in his usual good form. The Irishmen failed to make one hit until the sixth innings, and only fifteen men came up to bat up to the fifth innings. Sullivan, in the box for the Irishmen, played a steady game, but was touched up for a good many hits. For the first five innings, the Irishmen were out in quick order, three or four in the first inning, Purcott struck out, Coyne knocked an easy one to infield and was retired, and Burns knocked a fly into Gillespie's mitt. Nicholson had the honor of scoring the first run, and Pound was credited with a two-base hit, in the first innings. In the second, Tilson and Stokes were thrown out at first, and Palmer fanned. Derry, Moore and Evans went out in quick order. Nicholson scored again in the third, and in the fourth Derry and McCartney tallied. McCartney made a nice two-bagger. In the fifth, Mundell and G. Dick scored. The Irishmen made things very lively in the sixth innings, Sullivan, Joyce and Turcott each scoring. The Victorias also worked hard and made four runs. A feature of this inning was the three-bagger made by Gillespie. In the seventh, the Irishmen scored three more, the Victorias one, and that ended the fireworks. The teams lined up as follows: Victorias—Nicholson, c.f.; Pound, s.s.; G. Dick, 3b.; Gillespie and S. Dick, p.; Mundell, 2b.; McCartney, 2b.; Derry, 1b.; Moore, c.; Evans, 1b.; Irishmen—Turcott, 2b.; Coyne, 1b.; Burns, 3b.; Tilson, c.; Stokes, s.s.; Palmer, c.f.; Sullivan, p.; Joyce, r.f.; Welch, 1b.

A Junior Game.

On Saturday afternoon, a game of baseball was played in the junior series, between the Junior Victorias, and the Junior C.L.C., the Victorias winning out by a score of 21 to 7. This makes four straight wins for the Junior Victorias, a remarkably good showing.

Sporting Notes.

The Buffalo race meet has also been called off, owing to the passing of the anti-betting law. Lacrosse on Saturday: Shamrocks, 3; Nationals, 2; Tecumseh, 3; Montreal, 2; Cornwall, 6; Capital, 3. John McInnis, manager of the New York Giants has been suspended from the National Baseball League for calling an umpire "a piece of cheese." Lacrosse at Montreal is not on the wane as regards the attendance. There were nearly 6,000 present at the Montreal-Shamrock game. In a recent Cleveland-Boston baseball game every Clevelander in the line-up got a hit in the fifth inning, and the finish was a home run by Hineman which cleaned the bases. Percy Roberts, captain of the Montreal Rugby Football Club, and all-round athlete, lies at his home in a very precarious condition from the effects of blood-poisoning in his left arm. Best American pitchers—Dineen, St. Louis, won 3, lost 0; Walsh, Chicago, 12 and 3; Powell, St. Louis, 6 and 2; Lanning, New York, 6 and 2; Jess, Cleveland, 10 and 4; Schlitz, Philadelphia, 3 and 2; Young, Boston, 8 and 4; Waddell, has won 4, lost 6. Leading American batters—Burchell, Boston, .300; Stone, St. Louis, .296; Thoney, Boston, .298; Lajoie, Cleveland, .294; Lord, Boston, .290; Bemis, Cleveland, .287; Cowriter, St. Louis, .286; Anderson, Chicago, .286; Hill, New York, .286; Keebler, New York, .286; Carrigan, is batting .280. Larry Lajoie has doped out the great weakness in Harry Niles' base running. "He is the sharpest starter and fastest runner in the league," says Larry, "but he has never learned to hit the dirt properly. That is where they get him. If he is taught to slide he will break all records."

National League Baseball Hitters—

THE DAY'S EPISODES LOCAL NOTES AND THINGS IN GENERAL

Occurrences In The City And Vicinity—Other Brief Items of Interest Easily Read And Remembered.

The dust on Saturday afternoon was frightful. The watering carts—where were they? The 14 Regimental band of Kingston has been engaged and will assist to enliven proceedings throughout Dominion day at Gananoque. Inspector Arnel, of the Humane Society, ordered a horse off the street. The animal, owned by a Concession street man, was found to be unfit for work. Our nine-inch electric fan for drying ladies' hair, keeping cool at meals. The very thing for private house use. Newman-Springs Electric Company, 79 Princess street. Summonses will be issued against three or four young men at Wolf Island, for disorderly conduct, using abusive language to women. The date for the hearing has not yet been fixed. On Saturday a young girl arrived from the Berardo home, at Toronto, for an Inverary family, but she was not met at the station, and was carried for at the Hotel Dieu, until the arrival of her guardian.

LETTERS TO THE EDITOR.

Make Fish of One and Flesh of Another.

Kingston, June 20.—(To the Editor): On Friday, June 12th, two young men, who have been preaching on the Market Square, were commanded by a member of the police force, while preaching to a number of people, on the corner of Montreal and Princess streets, to stop preaching on public streets. The constable, on being asked by a bystander why he did this, replied that they had no right to stand on street corners than any other person. This may be perfectly true, if the law says that streets should not be used for preaching sermons; but does the law know that on Montreal street corners, as is the case on other streets in several days a week, there are a company of toughs, from fourteen to thirty years of age, who seem to think that standing on corners is what the law allows, as they very seldom see a policeman doing their way, no matter what is going on. Furthermore, these fellows not only break the law in that way, but they insult passers-by with dirty talk. May I ask, as a free citizen, should this be allowed when young men like I first mentioned were sent from the streets for doing their duty? Do those in authority in Kingston think that this city is getting too religious? If so, let them take a walk to some of the corners already mentioned.—FROM ONE WHO KNOWS.

LATE MICHAEL FOWLER.

Funeral at Glenburnie Was Largely Attended.

The funeral of the late Michael Fowler, of Glenburnie, took place, on Sunday afternoon, from his late residence, and was conducted by Undertaker S. S. Corbett. It was one of the largest funerals that has passed through the Glen in years, there being over a hundred vehicles in the cortege, which wended its way to the Church of the Holy Name at Cashendall, where a solemn Mass was sung by Rev. Father Kingsley. Sons and grand-children bore the casket. The remains were conveyed to the vault at St. Mary's cemetery, Kingston, on Monday morning, a requiem mass was celebrated at the church of the Holy Name, Kingston Mills, for the repose of the soul of the deceased. The remains were afterwards interred in the cemetery. Among the aged people at the funeral on Sunday was noticed Robert Vair, of Glenburnie, who, seventy-five years ago, was a companion of Mr. Fowler. The latter was the senior of Mr. Vair, by two years. Mr. Fowler was born in Kingston nearly ninety years ago, of Irish parentage.

Another Rain Needed.

The farming district looks very well after Friday night's rain, but another good rainfall is needed at the present time, the farmers say, to make the crops absolutely safe. A real good soaking rain would do the ground an immense amount of good. The hot days just passed dried things up. Notwithstanding the heavy rains early in the spring some of the swamps are already dried up.

"Outler Joe."

Before this film is exposed at the Kin: Edward, to-night and to-morrow night, Edward Mullin, elocutionist, will recite the poem, so that the spectators will be afforded every opportunity of thoroughly understanding and enjoying the pictures. This will be a red letter period in moving pictures, and the public should take advantage of it.

A Grant Is Invited.

The city council has been asked for a grant to the Quebec Battlefield Park fund. All towns and cities are expected to contribute. Toronto gave \$5,000, so that in proportion Kingston would be expected to give \$250 towards the fund which is to be devoted towards making the Plains of Abraham into a national park.

ARUNDEL ABANDONED ATTEMPT TO RELEASE HER FAILED.

She Ran on the Shoal Below the Thousand Island Park—The Arrivals and Departures of Vessels at This Port.

The steamer Arundel, which ran on a shoal in the narrow channel between Thousand Island Park and Fine View, has been abandoned, and handed over by the owners to the underwriters. The Star-Cable company, owners, after several days' work, failed to release the stranded vessel, and gave up the task. The Arundel was just starting on her first trip of the season, from Alexandria Bay to Oswego, N.Y., and was being towed by the tugboat, when she ran on the shoal. The accident occurred at 7:25 o'clock, Wednesday morning. At the time the boat was under the command of Captain J. E. Mene of First Huron, Michigan, and it was his first trip over the island course in this steamer. The first mate is also a new man and one of the old officers that have been running the boat for years had been retained on her for this season. It is said that the high water of this year which had completely covered the shoal was to blame for the accident. The steamer ran so far up on the shoal that only about three feet of the after part of her keel was not on the rocks and her stern was forced clear out of water. This is the twelfth season that the Arundel has been running summers over this course and during all that time she has never had an accident. She has always run right on schedule (time and has very rarely missed a trip because of bad weather. The Arundel was originally built in 1873, but since that time she had been rebuilt almost entirely and at the present time was in very good shape. She is 102 feet long with 26 feet beam and a gross tonnage of 339. Her value would probably be in the neighborhood of \$25,000.

THREE MORE TOLL ROADS.

Yet to Be Made Free in Frontenac County.

Before the county of Frontenac can have a satisfactory road system, its council will have to provide for the purchase of the three remaining toll roads, owned by companies. During the past three years three roads have been freed of tolls, viz, the York Road, the Sydenham Road and the Perth Road. The three toll roads which still exist are the Bath Road, the Storrington Road, and the Port-Lafayette Road. The county council has petitions of ratepayers asking for the purchase of these roads by the county and the freeing of them of tolls. People are paying toll for poor roads, and the ratepayers think it would be better and also cheaper for the roads to be maintained by the county and township councils. The petitions are signed according to law, and the county council must take action upon them. The matter is in the hands of the roads and bridges committee, which will report at the November session. If a price cannot be fixed between the company owning the road and the county council, the matter will go to arbitration.

HIS FAREWELL SERMONS.

Rev. R. Calvert Leaving Pittsburgh Circuit. Rev. Reuben Calvert, for the past three years on the Methodist circuit, Pittsburgh, on Sunday preached farewell sermons in the morning, at Zion church, Cashendall, in the afternoon, at St. Lawrence and at Woodburn in the evening. Mr. Calvert preached appropriate sermons and there was a good attendance at all the services. Rev. Mr. Calvert is leaving to take up the work at Hale's Station, and carries with him the best wishes of his host of friends. He will be succeeded by Rev. J. B. McConnell, who will arrive at the parsonage on Friday next. At the morning service in Zion church a fine duet was rendered by Miss Emma Franklin, organist, and Mrs. W. J. Franklin.

Held A Picnic.

Quite a number of Kingstonians attended the picnic at Cashendall on Friday, under the auspices of L.O.L.L. No. 709. The only thing that occurred to mar the day was the rain in the evening, which put a stop to the dance. Crosby & O'Connor's orchestra was present and only a few numbers had been given when the rain came. Some few months ago the lodge banner was destroyed in a fire, which occurred at the home of Thomas Carey, and this picnic was held for the purpose of raising funds for the purchase of a new banner. It is probable that another picnic will be held in the near future, when it is hoped that the weather man will serve out better weather.

Fleaser Feet And Eyes.

"A sensible shoe for sensible women." is the way one shoe merchant described the state-Slater Shoe for Ladies. It has every line of strength, and most people know that the stout shank and heavier sole of a fine shoe made for Canadian weather conditions is easier on the feet. The Slater Shoe not only fits from the start, but it won't tire one. For ladies who are fond of walking, and who do a deal of shopping, the state-Slater Shoe is in high favor. It pleases the feet as well as the eye. For sale by F. G. Lockett, Kingston.
