

DEATH OF A FARMER

HE WAS A SUFFERER FROM ERYSIPELAS.

Removed to Belleville Hospital For Treatment—An Arm Was Badly Crushed While Working in a Quarry.

Pictou, June 30.—Work has begun this week in preparation for a new ward school, for junior public school work. The building will be a brick one, thirty by sixty, and contain two rooms. It will be built at an outlay of about \$2,500. Strawberries are an excellent crop throughout the county. Peas are looking well and both these are now being run through the several canning factories. There will be a crowd down from Pictou, to see Kingston, Dominion Day, as the daughters of the Empire are running an excursion on the Caspian. E. M. Harrington, V.S., badly sprained his wrist. He was driving the last little mare at the races at Alexandria, when an accident happened and he was thrown. R. H. Garrison, a prominent farmer of Cherry Valley, died on Monday morning. He was taken ill last Wednesday with erysipelas, which developed into spinal meningitis. A widow, and two daughters, Mrs. H. S. Collier, Pictou, and Mrs. H. S. Stars, Salmon Point, survive. He was a native of Prince Edward, aged sixty-five. W. S. Brown of the staff of the Metropolitan Bank, was taken ill Saturday, typhoid fever developed and he was removed, Sunday, to Belleville hospital. Mayor Clapp, who is also street commissioner, is getting busy with the work of the latter. It is about decided to contract for about a mile of new pavement to be laid this year.

Kingston shots are expected in town on Dominion day, when the Pictou Gun Club will hold an all day tournament open to all shooters. In the driving prize, about one hundred, and fifty dollars in prizes will be put up for competition in the different events. James Beasley, an English laborer, with a big family had his arm badly crushed by the fall of a heavy stone, where he was quarrying, on a farm near Crossy.

A Friend Of The Policemen.

Continually on their feet, the "peelers" are invariably troubled with corns and bunions—but not for long, because they know of a quick cure. Putnam's Corn Extractor, it cures painfully in 24 hours, try "Putnam's."

Boy's Sentence Is Suspended.

Perhaps a few more people would try to be good if they didn't bump into so many others who overdo the thing.

To be free from sick headache, biliousness, constipation, etc., use Carter's Little Liver Pills. Strictly vegetable. They gently stimulate the liver and free the stomach from bile.

When a man goes in for politics, he generally gets rid of a lot of his money or acquires a lot of other people's.

The chronic gossip is short-sighted as to results. The coward is always a persistent plunder-shifter.
