THE SPORT REVIEW

The Local Lacrosse Team Anxious For Games. The lacrosse team had a light workout on Tuesday evening, only a few players being in attendance. The boys are anxious for another game with some team they have not played yet, and they would also like another game with Belleville. They have played the team from Intelligencerville twice now, each team scoring six goals. This game would draw a large crowd if it was played here.

It is an example to our boys, and nothing so pleased me when I was very ill down south, last, winter, as, to read about the re cognition our leading citizens gave George Hammond. Ever since that man came to this city, he has been an example to others, risking his life at all times when necessary. He has saved many lives, I am given to understand by those who know, at Lake Ontario Park, and did not consider the risk too great to jump in front of street cars to save a boy. He has more than an average ability in marine knowledge, and his example, and that of others of a like character.
