Litca, N.Y., July 17.—Mrs. John Binette, wife of a farmer at De Kalb, St. Lawrence county, ran the mowing machine for her husband, yesterday, while her three-and-a-half-year-old daughter picked berries in the field. Suddenly the mother heard the baby scream just in front of her, and before she could stop the team the fairly cutting knives had severed both her little daughter's legs. The child is dying, and the mother is going insane with grief.

Broke Her Collar Bone.

A rather peculiar, but painful, accident, happened to little Kathleen Cameron, the three-year-old daughter of J. Cameron, Wolfe Island, on Wednesday evening. The little girl, in some manner, fell out of bed, falling on her right shoulder, breaking her collar bone. The little girl suffered great pain during the night and in the morning, until Dr. Bogart arrived, to set the wounded limb. She is doing as well as can be expected.

Was Highly Gifted.

Carleton Place Canadian. It is said, locally, that Prof. Carmichael, whose death is reported, was gifted more than any of the faculty of Queen's in the art of cogent speech. He could compare so that your head ached. With economy of words there were efficiency and polish. There was no waste of precious ointment from his alabaster box, whose contents were fragrant and stimulating, even while his life was lapsing and the penner to work was at the lowest register.

Motor Boat Ower Fined.

Since the fatal accident on the St. Lawrence river, near Clayton, N.Y., following a collision between a speed motor boat and a skiff, the special inspectors of the customs department have been busily engaged in holding up boats not properly equipped with lights. The first alleged violation reported to the collector of the port was in the case of Prof. Valley, a well-known organist of Ogdensburg. The collector assessed the owner of the boat \$200. Several boat owners in the Alexandria Bay section have been fined amounts ranging from \$50 to \$400.

Hurts Canadian Route.

Prescott Messenger. The Richmond and Ontario Navigation company and a considerable criticism last Saturday over its treatment of passengers. Owing to the crush of traffic in the canals below, the east bound passengers were kept aboard the steamer Kingston until noon. They were then rushed to the G.T.R. station, being told that a special train would arrive for them in a few minutes. The train did not leave until three o'clock, and the passengers had to go without dinner. Naturally they thought Prescott a bum place to stop at.

Progress of Street Work.

The rain, this morning, put a stop to the walk construction and other work on the streets. The roller, however, was able to go ahead on Bagot street. The rain that has fallen this morning has been nearly always at night, and, hence, street work has scarcely been interfered with. On that account it has proceeded rapidly. All concrete walks to be laid south of Princess street, this season, are completed, except one on Victoria street, near Brook street. The walk gangs are at present working around Sixth and Chatham streets. The rest of the walks to be constructed from now till November, will be in Frontenac, Rideau and Cataragui wards.

Took Library Books.

Something new is always turning up in regard to Anderson, formerly principal of the public school here, says the Kenfrew Journal, who is now serving a seven-year sentence, for bigamy, in the Kingston penitentiary. The latest was known the latter part of last week, when Secretary George Eady, of the Board of Education, received an express parcel from Brockville, which, when opened, was found to contain a dozen volumes taken from the model school library here and which had been found in Anderson's residence in Brockville. He had taken them with him when leaving here, and although they had been missed long ago, no trace could be found of them. Mr. Eady has also received a letter from the department of education, of Toronto, asking for the particulars of Anderson's case, probably with a view to cancelling his certificates.

LABOR DAY EVENTS

TRADES AND LABOR COUNCIL APPOINT COMMITTEE.

Members Waited Upon By Members of Moral and Social Reform League—Delegates Appointed For The League.

Printing, Thomas H. Fleming (chairman), W. Bennett, F. Gallagher; sport committee, James Lee (chairman), A. Campbell, Charles Harrison, W. Milligan, F. Martin.

A deputation from the Moral and Social Reform League, composed of Dean Farthing, Rev. W. H. Sparling, G. M. Macdonnell and Mr. Wilson, waited upon the council, and in an excellent manner outlined the principles of the league, and made a request that the council appoint two representatives on the league.

The matter was then discussed in detail, after which a hearty vote of thanks was extended to the members of the deputation, and Messrs. Thomas H. Fleming and W. T. Edgar were appointed to represent the council on the reform league.

FIREMAN APPOINTED.

This morning, the civic fire committee had the duty of appointing a fire driver to replace John Lemmon, of No. 2 station, who recently resigned. The city council gave the committee the power of appointment. Alds. Rigney (chairman), Nickle, McCarty, Henderson and Robertson were present.

Twenty-one applications were received for the position, as follows: Edward H. McCormack, E. Griffith, Herbert Shales, Thomas S. Johnson, Peter Frizell, Roy H. Ferguson, S. H. Turner, Frank Burns, T. E. Robbs, Donald McKenzie, A. G. Robbs, Joseph Pound, Mr. Hensher, Clarence Young, James Joyner, Thomas Evans, Hugh Barry, Joseph Ennis, Patrick Byrnes, C. A. Wells, Andrew Bonner.

It was decided to first vote for any five men, and to continue voting for the leading ones until one applicant got the majority of the committee.

On the first ballot, Messrs. Shales, Burns, McKenzie, Hensher, Pound and Wells were the choice of the twenty-one. On the second ballot, Burns and Hensher dropped. On the third ballot, Wells went out. On the fourth ballot, Pound and Shales alone remained. On the last ballot, Shales won by three to two.

The newly-appointed fireman, Herbert Shales, is twenty-seven years of age, and at present working for Kirk & Le.

GLAD TO SEE HIM.

John Fisher Was An Old Time Pitcher.

John Fisher, Chicago, is in the city renewing acquaintances. Mr. Fisher was an old resident of the city, and is still known here. In his younger days he was a good baseball player, being one of the best pitchers in this district. He used to throw for the old Park Nine team, and for the old Kingstons, when they were in their prime. Mr. Fisher's many friends are pleased to see him back again.

Y.M.C.A. Athletic Events.

Wednesday night will be left open for those members who are unable to compete on other nights. A record will be kept of each member. The contest will be of an interesting nature, and is one that all the members of the association should take advantage of.
