BLACKMAILER'S THREAT TO KILL WHOLE FAMILY.

Millionaire Receives Letters Telling How Each of His Children Would Be Slain.

Munich, July 25 .- In a crowd court the trial began at Munich, Bernhard Imhof, an ex-postal ser vant, aged thirty-two, for attempted rian manufacturer, Herr Wilhelm Lu-

served a sentence of five years for embezzlement, and confessed that be of finally robbing the millionaire of

demand for an additional \$250,000 er land or sea. until all five children were killed. The millionaire was assured that no sort of protective measures could ward off his awful fate. Imhof teclared during the vice president said:

UNITED STATES TO BRITAIN. Address of Fairbanks-Reply

dent Fairbanks, of the United States.

Permit me to extend to Quebec my hearty congratulations upon the dissence of your royal highness and upon comed you within her gates. It is, in deed, a signal honor which you have done her. It is a happy circumstance

plain's founding of Quebec is altoprehensiveness of its conception in the United States also. From this blazed the pathway of civilization the lakes and rivers in territory of the United States. Names associa- age to Champlain and doing honor t ted with the early history of Quebec Quebec. are landmarks in our geography and are indelibly impressed upon our civi- Gown Of Braided Lines on Rajah.

Three hundred years is but a brief period in the history of England or France, but it is all the history of Quebec and all of Anglo-Saxon America. Here has been written an teresting story. Here have been witnessed the victories and defeats of war and the blessed triumphs of peace. The battleships of three great nations rest yonder upon the bosom of the St. Lawrence. The representatives of those powers assembled here are recalling past differences, but only to emphasize the present prevalence of a spirit of genuine friendship be tween them.

Nations With Much In Common. It is with unusual pleasure I bring you greetings from the president and the people of the United States who rejoice with you in the progress you have made in the manifold which make for the strength and honor of a great people. We are not in different to your welfare nor are you comes from the cultivation of the bottom of the skirt. arts of peaceful industry under political institutions which are the guaranty of justice and liberty among

to endeavor to substitute reason for force, is not evidence of any decay in the courage or manhood of nations, but it is the proclamation of the great truth that modern civilization is not visability of combining a workshop visability of combining a workshop a failure. It is a failure if it does not substitute for force the serene and all-powerful chamber of reason and deliberation. There is such a thing as righteonsness among nations. Let them take their differences into international courts of justice and there let reason and righteousness prevail. Let nations by every honorable means Let nations by every honorable means which enlightened statesmanship may suggest avoid an appeal to that court where might alone turns the balance. We have no need to fear that the relations between the United States and Great Britain will ever again be disturbed. We have faith to believe that our flags, which grace this torie occasion and which mingle gether and salute each other upon the tious name, told how the death of Plains of Abraham, will never con front each other in conflict upon eith-
