MAN OF EXTREME MODESTY. There is one very remarkable characteristic of Earl Roberts-his shyness of display. All the honors he shown are, as Artemus Ward would say, thrust upon him. At Quebec was almost as notable a figure as the Prince of Wales, and was shown lmost as much homage but from lifferent motive. The prince represents the sovereign, and the power and authority which he personified. He reeted with cheers and shown use attention, however, because of his wn popularity, because he carries imself with a, grace and courtliness and spirit so noble and altogether ap-
