CANADA LIFE ASSURANCE CO.,

To-day I am in good humor, because the Canada Life has notified me that it has made a further reduction in my premium. This is what was promised, and is now being performed. When an insurance company does this it is more than can be said of some others, and I am therefore pleased. I have society insurance which does not compare at all favorably with that I hold in the Canada Life. I have an Endowment Policy also in the Canada Life, which has matured and been paid. Gananoque, July 20th.—A put-put ac-cident in broad daylight, happened near here last evening at an early hour. As Wm. The boat was badly damaged and Mr. Keyworth landed in the river. Mr. Robinson was in his boat engaged in fixing the engine which was not working just right, when the accident occurred. He at once stopped his launch, got Mr. Keyworth out of the water and towed the remains of the skiff to shore, Mr. Keyworth being none the worse for his un expected ducking.
