PRESENTED THE PRIZES

AN EVENT AT THE KINGSTON YACHT CLUB.

The Awards Made in Several of the Club Events So Far Run Off—Arranging For a Cruise.

A meeting of the Kingston Yacht Club was held Tuesday evening, for the purpose of presenting prizes won so far this season and for other business. The regatta committee presented their report on the winners in the different events and prizes were given as follows:

For the Bruce Carruthers trophy series the Kathleen won the greater number of points, and will have her name engraved on the trophy as the champion for 1908.

In the Victoria Day race, the Kathleen won first place and Col. Strangé accepted a handsome stop watch, on behalf of her owner, H. W. Richardson. The Temeraire, Bruce Carruthers, won a life buoy and the Isis, Messrs. Waddell and Hora, carried off a flag.

For the Dominion Day race the Chiriya, Dalton brothers, won first, the Isis second, and the Kathleen third, and their owners received the prizes won.

It was decided to have the annual Labor Day cruise race to the foot of Wolfe Island, starting on the Saturday previous to the holiday. A handicap has been arranged in order to give the slower boats a chance and prizes will be given to the winners. There will be two classes, the faster boats sailing in one class and the slower boats in the other. An effort will be made to interest the motor boat owners in the cruise and a committee consisting of Messrs. Albrecht and Lockett was appointed to interview the motor men and arrange a race to suit themselves for Labor Day. It is, however, hoped that the power boats will join with the sailing yachts in the cruise and have a fine outing together over the holiday.

The Kathleen and Chiriya are on the ways, being polished up for the coming races. The Chiriya leaves, today, for Hamilton, to enter the long-distance race from that port to Champlain Bay.

Nearly all the Kingston boats will go to Champlain Bay to take part in the Eastern Circuit and the Crescent Club races, to be held there on the 14th and 15th. A fine time is expected. A large number of the lake boats taking part in the cruising race will be there. Power boat races will also be held.

MARINE NEWS.

The Items Gathered About the Harbour.

The schooner Kitchon is loading feldspar, at Richardson's.

The steamer Plummer called at the government dry dock, yesterday, on her way west.

Swift's: Steamer North-King, down and up, today; steamer Aletha, from Bay Point, steamer Rideau Queen, for Ottawa, this morning.

The dredge Sir Richard and tug Trudeau are still busy at the Canadian Locomotive Works' slip. The slip will be dredged out deep enough to accommodate any of the large steamers coming to this port with coal or freight.

At M. T. Co's wharf: The steamer Rosemount and barges Ungava and Hamilton, cleared for Fort William; the tug Emerson cleared for Montreal, with two grain barges and one coal barge; the tug Glade cleared for Montreal with two grain barges; the tug Bronson will arrive, to-night, with three barges, from Montreal.

When, oh when, will the city council instruct the harbor master to do his duty and compel the owners to remove the old, sunken hulks and the waters below Cataract bridge? Such derelicts are a daily disgrace to this city, and an official's civic pride, to say nothing of his duty, should prompt him to act.

VICTORIAN ORDER.

Meeting of Local Executive Held on Tuesday.

A meeting of the local executive of the Victorian Order of Nurses was held on Tuesday, when the report for the month of July, of Miss Blanche M. Hulse, nurse, who has taken the place of Miss Offord as Victorian nurse in the city, was received.

During the month there were thirteen newcases, the total number nursed being fourteen. There were eight paying, and six non-paying patients, the sum of \$13 being received in fees.

A good deal of sickness is reported, especially among the children. The medicine required was supplied free of charge by the General Hospital.

In religion the patients were classed as follows: Roman Catholic, 3; Anglican, 4; Presbyterian, 2; Methodist, 2; Salvation Army, 2; Baptist, 1.

Family Reunion Hotel.

On Monday and Tuesday, Mr. and Mrs. Dominick Fallon, Alfred street, had their children home for a visit, the family being reunited for the first time in two years. One year ago last January, all their sons were home, and now they have returned again to gladden the hearts of their parents.

Mr. and Mrs. Fallon and their family are enjoying the best of health, and the home-coming was a great pleasure. Rev. Father M. F. Fallon, O.M.I., of Buffalo; Rev. Father James Fallon, O.M.I., of Ottawa University; Thomas, of the Buffalo Courier; Francis, of the secretary of state department, Ottawa; Joseph and Vincent, of Fallon Bros., Cornwall, and Charles, of Buffalo, were present. Rev. Father Michael Fallon is on his way to Rome to attend the convocation of his order to be held there shortly.

Attended the Funeral.

Mr. and Mrs. William Cockburn and son, Bagot street, arrived home from Oswego, N.Y., yesterday, where they attended the funeral of Mrs. Teresa Parker Cochran, of Oswego, also Miss Millie Sutton, of Newark, N.J., who were drowned in the Oswego river, from a motor boat. Mrs. Cochran was a cousin of Mr. Cockburn. Miss Sutton was a guest at Mr. Parker's, Oswego, N.Y.

SULTAN OF TURKEY.

London, Aug. 5.—A special despatch from Goova says the Sultan of Turkey was stabbed in the breast, on Monday night, by a former palace official. The coat of mail, which the sultan always wears, deflected the blow. The would-be assassin was arrested. Apparently he had been bribed to commit the act.

The Story Confirmed.

London, Aug. 5.—The attempted assassination of the sultan, on Monday night, by a palace official, is confirmed in messages from Constantinople.

Humane Officer Busy.

Inspector Arniel had three complaints to deal with to-day. He investigated a complaint about a dog on Queen street, and had the animal shot, ordered a horse to its stable, and had a hatch of dogs removed from a Princess street laneway.

Reached Ottawa.

W. A. Bearance, Charles Moxley, Gordon Henderson and Charles Pultow, reached Ottawa, to-day, on their canoe trip. The boys left here the latter part of last week, making the trip down in easy stages. They will spend some days in the capital before coming back to the city.

Expenses Very Heavy.

The board of health will be called to meet again in a few days to deal with a number of accounts. The expense account of the board has been very heavy this year, owing to the very large number of cases that body has had to deal with, and to meet all the expenses it will be necessary for the board to have an additional grant.

A Plucky Rescue.

T. Howard and two of his children have been down from Deseronto, this week. The little girls were over at Wolfe Island and in some way the baby fell into the river. There would have been a sad accident instead of rejoicing, had it not been for Miss Edith Hague, who pluckily jumped into the water and took the little child out as she was going down for the third time.

A Decided Success.

On Tuesday evening a fine lawn social was held by the Sunday school teachers of St. Luke's church. The grounds and Sunday school hall were prettily decorated with flags and bunting, and inside the hall quartette tables were nicely arranged. The tables were decorated with flowers and ribbons. The 14th band was present and furnished excellent music during the evening. The social was visited by large crowds during the evening, and the affair was a financial success.

To Have A Game.

An association football match has been arranged with Batterssea, to take place in Kingston, on civic holiday, August 10th, at 10:30 a.m., in the cricket field. This should be an interesting game, as Batterssea is going strong at present, while the Wanderers will be at their usual strength, with the exception of W. White, who is at present in Montreal. He may return in time. Practice games take place every evening during the week at the cricket field.

Ottawa Ladies' College.

This college, whose advertisement appears in another column, is a residential school that is accomplishing excellent work. Possessing an exceptionally capable lady principal and staff of teachers, the education it gives is thorough, broad and comprehensive, well adapted to prepare a young woman for home and social duties. Its special courses in art, elocution, household science, etc., are complete and valuable. A special advantage is its situation in Ottawa, the capital of Canada, with its magnificent public buildings, its social and political life, its culture and beauty.

BUSY DAY FOR COURT

THIRTY-TWO LIQUOR CHARGES ON DOCKET.

To-Morrow Will Be Hotelmen's Day Before the Magistrate—The Liquor Men Will Put Up a Strong Defence.

To-morrow will be hotelmen's day, at the police court. Magistrate Farrell will have a very heavy docket, and will be very busy in the forenoon, at least, and probably for some time after the lunch hour.

As a result of the work of the liquor detectives, no less than thirty-two informations have been sworn to and every hotelman in the city, with the exception of five or six, will have to walk the carpet. Some of the hotelmen will have two charges to face, but none of them have more than two.

D. M. McIntyre stated to-day, that he was acting for the defendants. It was stated that the liquor men had secured the services of James Haverson, K.C., Toronto, but one of the hotelmen charged, stated to the Whig, this morning, that the hotelmen had not yet decided as to who would represent them.

"How do you think it will go?" he was asked. "Will the hotelkeepers lead guilty?"

"No, they will be sure to fight it out," was the reply.

The liquor man stated that a meeting had been held last night, but that nothing definite had been done. He thought that perhaps Mr. Haverson would act for the hotelmen, as he was counsel for the Licensed Victuallers' Association. This association was re-organized at a meeting held in Toronto, last fall, and was attended by a large number of Kingston hotelmen.

The serving of the summonses came as a great surprise to the hotelmen, as the presence of the "spotters," was unknown.

The raid on the hotelmen has caused widespread interest, and when the cases are called in police court, there is sure to be a crowded audience.

The Hotelmen Summoned.

Steamers running out of Kingston did not escape the eyes of the "spotters," and as a result, they charge three steamers, the America, Caspian and the North King, with violation of the liquor laws. Following is a list of the hotelmen summoned with the names of the steamers, and the number of charges:

P. L. Haffner, Anglo-American, one charge.

Con. Millan, Iroquois Hotel, one charge.

C. Haaz, Hub Hotel, one charge.

W. Teller, British-American, two charges.

Joseph A. McConnell, Colander Hotel, one charge.

Joseph Paradis, Ontario House, two charges.

W. Dunigan, Kennedy House, one charge.

James Spence, The Hall, two charges.

C. D. Horne, Provincial Hotel, one charge.

Robert Carnegie, captain of the steamer America, two charges.

NEWS OF DISTRICT.

The Tidings From Various Points in Eastern Ontario.

George McDonald, Almonte, leaves for Bardonia, Asia Minor, where he is being sent for three years by the Congregational church, of Boston, as a teacher.

After being in poor health for months Mrs. Charles S. Johnston died, on Tuesday at Avondale, front of St. Mary's. Deceased, forty-eight years of age, was a daughter of the late James Barnes, Thurrow.

There died at the House of Industry, on Aug. 1st, Etiza Crangle, of general debility, committed to the home from Barritt's Rapids, April 27th, 1905. This makes 118 deaths since the home was opened in December, 1895.

The death occurred, on Tuesday, in the St. Vincent de Paul hospital, Brockville, of James, son of Mr. and Mrs. Joseph McIntyre, of Easton's Corners. The deceased, seventeen years old, had been ill for ten days with peritonitis.

The death occurred at Lyn, Monday, of a pioneer resident of that section in the person of John W. McCrady. He was born within a mile of where he died eighty-five years ago. At the time of his demise he was the oldest continuous resident of Lyn. He was thrice married and is survived by a grown-up family.

Slept Sleep Of The Just.

A good story and a true one is told of a young Kingston gallant who attended St. James' moonlight excursion on Monday night. He and a chum, in company with two young ladies, were enjoying the trip, when one of the young men fell into a beautiful sleep. The boat continued its course up and arrived at the wharf, and still the boy slept on. His companions, thinking he was faking, did not say anything to him, but left him sitting on the deck. The boat only stopped long enough here to allow the people to get off, and then went to Clayton. When the boat arrived there the young man was found asleep on the deck by one of the deck hands, and when he was brought back to life he was greatly surprised. He arrived back here at noon on Tuesday.

Our August LINEN SALE

There will be bitter and vain regrets on the part of those who are hesitating to take immediate advantage of the exceptional offers we are making during this AUGUST LINEN SALE.

If present indications count for anything, commercial equilibrium is soon to be established: that means that the markets of the world will soon demand their rightful prices. In the meantime prices are at rock bottom.
