Eighty men were engaged here, to-day, two of them being old hands. The company A Few Things That Edison Should has a list of thirty-eight employment agencies which are offering men, both in the United States and Canada, but none from the other side of line are being accepted, the officials stating that they are strictly observing the alien låbor law.

ASKED TO WATER FLOWERS

Chatham Child Falls From School

Window. Chatham, Ont., Aug. 20 .- Some time ago the child of W. J. Johnston fell from the window of the kindergarten room of the Central school. Now the board of education have a damage suit against 'them. Johnston claims' that the board is liable, as the little girl was asked by one of the teachers to step out on the window-sill to water the flowers. The board has referred the matter to their solicitor.
