He edges the fact and promises, on the part of the village acknowlary work of the diocese slept in fourteen earns sacred respect and leadership. a distant part of the village acknowlshall be received into the community. The townspeople then assemble in the streets, and the baby is brought out and exposed to view. A basin of water is provided, and the head man, or chief of the town, sprinkles water upon it, it may have health grow up to manhood or womanhood, have a numerous progeny and possess riches. Most of those present follow the example of the head man, and the poor child is thoroughly drenched before the ceremony is ended. Every one who participates in the ceremony pledges himself to be a friend to the child.

Rooster Vs. Rat. The story of the prowess of a rooster in a rather unusual fight comes from Pennsylvania. For some time past chickens had been disappearing now and again as many as five or six in a week from the region where a Black Minorca rooster ruled the roost, and at last the marauder, an enormous sewer-rat, sixteen inches long, grew to pold as to seek its prey in open daylight. It seized one of the young chickens, but was not to enjoy its meal this time, for the Black Minorca would not stand for Modern this depradation of his flock. He made for the thief and struck vigorously with wings and spurs. The rat attempits prey and defend itself. This it did whips the children of the community intoxicants to be procured. To sell by avoiding the blows where possible who are between the ages of four and liquor in a prohibited district, means ten, both for the wrong they have done the inflicting of a heavy fine. Hotels cure a hold on the rouser's throat. He and the wrong they are going to do, never have licenses, and on express was constantly foiled and the spectator.

And they grow up respectful to parents trains only passengers travelling fifty of this strange fight saw that the and others in authority.

Or more miles may quench their thirst rooster's victory was but a question of the speaker at the recent eighth annual with intoxicating drinks. These strict time. The terribly beaten animal at

A Large Salary. ely:
"An important event has been the Philadelphia, was much addicted to the A secretary of the Bible Society while polling for or against prohibition along habit of lecturing his office staff, and visiting in Korea a prayer meeting, our north coast. It was difficult to get the office-boy came for an unusual share found the floor covered with men all the people to see the uselessness and of admonition whenever occasion depraying aloud, every man his prayer. The dangers of saloons, even off here. and when pride enters in we might as well stop at home. So we all pray aloud together, and it makes no difficulty with God."

At the invitation of the Student Christian Movement of Great Britain and Ireland the next conference of the Student out out coast has prohibition a sun to win out, and for three years, at any rate, we shall not have that scourge to add to other difficulties. It will be a great day for Newfoundland if ever the saloons can be routed out, or very materially diminished in numbers, in St. John's. For, though our coast has prohibition a sun together, and it makes no difficulty along the saloons can be routed out, or very materially diminished in numbers, in St. John's. For, though our coast has prohibition a sun together.
