These nineteen They are a great nerve strengthener were asked to come to Earl's court on and blood maker. In boxes, 25ch at Saturday last and make themselves Wade's drug store. Money back if not known to H. Hilliard at the Empress satisfactory.

Fourteen turned up, evidently anxious o know the meaning of the letter they had received. When it was explained to them they expressed sorrow for Mr. Fletcher though one or two of the gentlemen declared that as Mr. Fletcher was reported to be a millionaire they were open to be adopted. It was clear that the lost son was not among those

who turned up. We have not given up hopes," declared Mr. Bostock vesterday, "for we have only met some fourteen out of the twenty-five, and it is possible that young Mr. Fletcher might be among the remainder. It is his father's belief, as a result of inquiries he has made through dat book, much less leggo him, an I'll begin immediate proceedings against Pinkerton's detective agency, that the couple are in this country. Unfortunately, Mr. Fletcher had to sail for America on Saturday, owing to the receipt of an important cable from his business house there. I expect him back, how-

'My instructions are to do my best to and the young man, and then to cable is whereabouts to his father. I can ssure him he will receive the heartiest welcomes, and all will be forgiven."

Judging High Art.

Mrs Cornwallis-West tells a good story of how high art was sometimes gauged and pictures collected in the number our real ones. days when she was Lady Randolph Churchill. The famous Colonel North the fewest words. who was one of the financial and social 'lights" of the latter eighties; though somewhat "rough diamond," had conceived the laudable ambition of formng a collection of fine pictures. "Once ne was greatly excited over a picture he had bought that day at Christie's or which he had paid the then stupenlous sum of £8,000." He described it as a grand picture. She asked him what he subject of it was and found he had! not the faintest idea. Then she enquired that painter's name, to which he ! replied that he thought it was some Italian name. "But," he added triumphantly, "It's 12 feet by 8."

When love is back of discipline it is

### TRAITOR OFFICERS.

# SERVIAN SHOT ANOTHER.

Belleville, Ont., Sept. 1.-As a result an alleged accidental shooting affair

at Point Ann, near this city, Paoco Bogdan, a Servian, is in the hospital with a bullet wound through his bowels, and Vasa Miolskoi, another Servian, is in the county jail. It seems that the men were out in a boat. Miolskoi says they were firing at a mark. One of the cartridges hung fire, and while he was looking at the weapon it went off shooting Bogdan through the body. His entrails are badly perforated, and doctors at the hospital do not think can live. The other man surrendered himself, and the foregoing is his story. The injured man is still unconscious.

SEETHES WITH DISAFFECTION.

Ships' Crews, and Not Their Officers, Are the Real Con. manders.

St. Petersburg, Sept. 1.-That the czar's navy is seething with disaffection tale of shipwreck peril among Malay ment of soldiers by officers are reported, has for some time been an open secret to students of Russian naval affairs. Prince Alexander Lieven, a naval compamphlet which supplements the criti-

The prince states plainly and without at the beginning of May, after picking suggest that the nation is investing imup our cargo at Ocean island. We mense sums on an army which may only destitute of discipline, but of esprit de corps, and that there will be no improvement in this state of things until,

in all departments. First of all, he says, it will be essenial to secure reliable and competent non-commissioned officers. The noncommissioned officers, he says, were the real leaders of the mutiny on board the Pamyat Azoff, the superior officers of that cruiser not having the slightest idea of what was in the wind until they were surprised and killed.

The question of non-commissioned officers for the Russian navy, he adds, is of the greatest importance for us, for Holland Has No Grounds For it will cost many more of us our lives if this question is not solved in a satisfactory manner. One makes a great nistake if one imagines that the mutiny has ceased. If at the present moment the air seems to be quieter, it is only because there is a mere outward calm among the people. The truth is w fluence over our sailors. We hav nothing in common with them, and they on their part allow themselves to be entirely led away by fleeting public opinion. When a still stronger popular movement breaks forth the fleet will join the people and increase the danger which threatens the government. 'It is not the officers, but the crews,

> ships of the Russian navy." Buying Wine For A King.

which are the real commanders of the

London Tit-Bits. The supreme head of the royal cellars bears the title gentleman of the cellars. and it is his duty to attend or to b represented at all the principal sales and to acquire suitable lots. The fact that the King is really the purchaser is of course kept secret to prevent fancy

prices being run up. The King, when Prince of Wales, always made a point of taking his own wine with him when he attended public banquets, and this custom is still folowed by the present heir to the throne private houses when he accepts invitations to dinner, except in places where he is an old or frequent visitor.

Originally the cellars at Windsor Castle, which are of enormous extent were the chief repository of the royal wines, and until they were overhauled nobody knew quite what they contained. The electric light now illuminates their dark depths and every bin is numbered and catalogued with all the accuracy a business house.

Fresh Fruit For Children.

It is an old-fashioned law, which still holds good, that every one should take a tonic in the spring of the year. Every child in years gone by was com-pelled to swallow that nauseous dose of oil which they so dreaded. True, these things will not do any one harm, but there are correctibles which will do as much good and are more pleasant to

There is nothing more healthy for man, woman, or child than the fresh spring vegetables and fruit which are now on the market, and which are expensive. Nothing will do more to help clear up the system than these-

The eating of meat should be reduced. but not altogether discontinued. Every man requires meat. Veal and pork should be discontinued in the summer, and in their place plenty of fresh vege-tables should be eaten. When you do eat meat, add plenty of water cress to

See that your children substitute fruit for candy. Be sure it is ripe-then let

Won't Take The Artist Back.
