THE SPORT REVIEW

NO KINGSTON TEAM FOR THE O. R. F. U.

The Old Enthusiasm Seems to Have Died Out—Citizens Have Failed to Support Teams of Recent Years—Outlook for Queen's.

For the first time in years Kingston is going to pass a football season without a city team entered in the O. R. F. U. At least it looks to be the case. It certainly seems very funny to think of not having one city team, either junior, intermediate or senior, when teams have been entered in all of the series and in two of them the same season, yet there is no one here who will take up the matter and get the boys going. Why? For the simple reason that the citizens do not support the club properly.

In the olden times Granites could afford to have one of the finest teams that ever represented any Canadian city, and have things come to such a pass that even a junior team cannot be supported in Kingston. Football has always been a popular sport here, yet the city teams do not get the encouragement that they deserve.

What brought success to the 14th Regiment senior hockey team? Because the players were treated right, and were under good management, and seeing their work was appreciated they fought all the harder, until they finally won out. Then when they did win out, the citizens arose with a great noise and came unto them bearing presents, but not until the seven boys had won everything there was to kick the ball around on the campus, but no practice has yet been held. The two trainers from Hamilton will report shortly for the football season.

Championship For Queen's.

Queen's students are coming back every day to get ready for the opening of college. They all state that the football championship is coming this way this year, as they cannot be beaten out of it, with the team they will have. A few "subs" have been kicking the ball around on the campus, but no practice has yet been held.

Sporting Notes.

It is announced that Shillington, the Ottawa player, will be a member of the McGill senior rugby team this coming autumn.

At Melbourn "Tommy" Burns, the heavyweight pugilist, defeated Lang of Australia, in the sixth round. Burns meets Johnson there in November.

Toronto Telegram: There is a possibility that Williams, who played centre half for Queen's last year, may move to Toronto, and if he does he will turn out with the Argonauts.

Richard, the former McGill half-back, will play with Ottawa Coleridge, champions of the I.R.F.U. Richards played with McGill two years ago and was one of the best men on the team. Bawlf will play full-back again with College.

The withdrawal from the amateur athletic rank of John J. Hayes, winner of the Marathon race at the Olympic games in London recently, was announced, to-day, in a letter written by Hayes resigning his membership in the Amateur Athletic Union.

Ty Cobb, who for the last two seasons has been attracting the attention of the public by his heavy hitting, uses a longer stick than either Laiter or Wagner. His piece of ash has a long handle of medium thickness and is thick at the batting end, with a blunt, flat end.

At a meeting of the Ontario Rugby Football Union, on Monday, W. H. Lowrie, of the Toronto News, was appointed to fill the position of secretary. It was practically decided to do little till the Inter-provincial Union plans are unfolded, but in any event there will be no senior series this season.

In a Trent Valley League game, played at Belleville between Trenton and Belleville, the latter won out by a score of 8 to 0. Trenton played nine men against twelve. Both teams were reinforced by outside players. This makes Belleville and Port Hope tie for the championship. The final game will be played in Trenton shortly.

Equalling the Canadian record under very unfavorable conditions, Kerr, of Hamilton, demonstrated his right to be called the fastest sprinter in Canada by doing the hundred yards dash in 9.15 seconds at exhibition track, in Halifax. Much to the disappointment of his friends, Schaefer, who secured the hundred yards championship on Saturday last, did not compete, claiming that he had difficulty in getting away from his work in the post office, where he is employed as a clerk. It was also a keen disappointment for Kerr, who remained over expressly for the purpose of meeting Schaefer. The Hamilton man's magnificent exhibition left little doubt in the minds of the spectators that he is the faster sprinter.

Gone up in Smoke We destroy yearly hundreds of thousands of good papers just by making sure that the others are all perfect. We go through the same thing with powder, paper, metal, etc. After these tests the perfect material is made up, and our experts shoot samples of every lot to prove their quality. We have the most practical and scientific tests used in the ammunition world.

For all makes of arms. Costs one-third as much as the duty paying ammunition. Our experts see that all the ammunition is made up, and our experts shoot samples of every lot to prove their quality. We have the most practical and scientific tests used in the ammunition world.

HIGH CHIEF RANGER.

Sketch of W. H. Lowrie Elected at Forester's Convention.

W. H. Lowrie, of Russell, elected high chief ranger at the recent convention of the High Court of Foresters for Eastern Ontario, was born at Carp village, in the county of Carleton, and moved with his parents, to Cumberland, in the county of Russell. He was brought up on a farm, and followed farming for the greater part of his life.

Thirty years ago, Mr. Lowrie settled in the village of Russell, and has resided there ever since. He served as a director for the county agricultural society, and is at present an honorary director. He has been president of the township of Russell Agricultural Society for many years, and a director of the Russell public library for eighteen years, and also filled the office of president.

Mr. Lowrie also took an active part in having the Ottawa and New York railways located at Russell, and has always worked in the interests of this pretty little village, which is so dear to his heart. He has been identified with every movement set on foot for its welfare, and no undertaking was considered by him to be too hard. He is one of the "fathers of the village," and his advice on matters is sought on many occasions, and gladly given.

He is widely known over the district in all classes. Mr. Lowrie is a charter member of Court Russell, I.O.F., instituted in 1883, held the office of H. V. C. R., and attended court as delegate. He has always been prominent in Masonic work, and was county master of L. O. L. for ten years. In religion he is a Methodist. Mr. Lowrie was appointed registrar for the county of Russell in January, 1908, succeeding the late Mr. Robillard, whose death occurred in September, 1907.

Mr. Lowrie and his son are also in newspaper work, being the publishers of the Russell Leader, one of the best weeklies in that part of the country.

Elected Vice-Chief. G. F. McKim, of Smith's Falls, is being congratulated by his host of friends, on his being elected high chief ranger, at the recent high court, I. O. F. His election came as a great surprise to Mr. McKim, as it was unsolicited by him. In selecting him, however, the high court made a good choice, as he is a man who will fill the position well. Mr. McKim made an eloquent speech, in nominating W. H. Lowrie for high chief ranger.

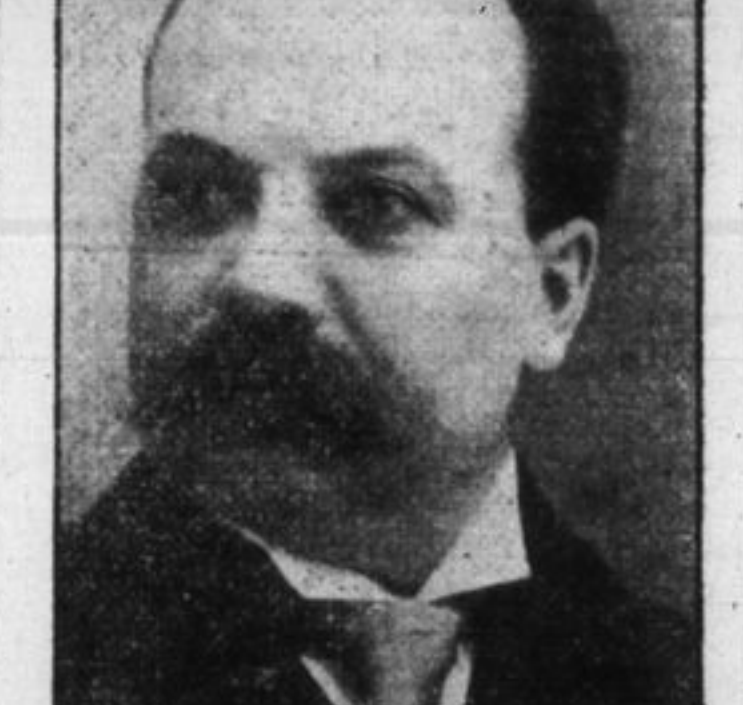

Mr. McKim, who is editor of the Smith's Falls Record, is a very able writer, and besides giving his time to newspaper work, he has also been able to serve the town in which he lives. He was mayor of Smith's Falls, served on the school board for a period of twenty years, was actively identified with public affairs in this thriving little town. He has made a great success of his business, and is held in the highest esteem by all who are acquainted with him.

Mr. McKim served the town well as its chief magistrate, and now he has offered himself as a representative of the people in the House of Commons, and will contest his riding with Hon. John G. Haggart, at the coming elections. In his opinion, he is a strong candidate, and the feeling is that he will be elected by a large majority. He has served his municipality well in the past, and is now certainly deserving of a higher honor, and Liberals should rally around him, and give him a bumper majority.

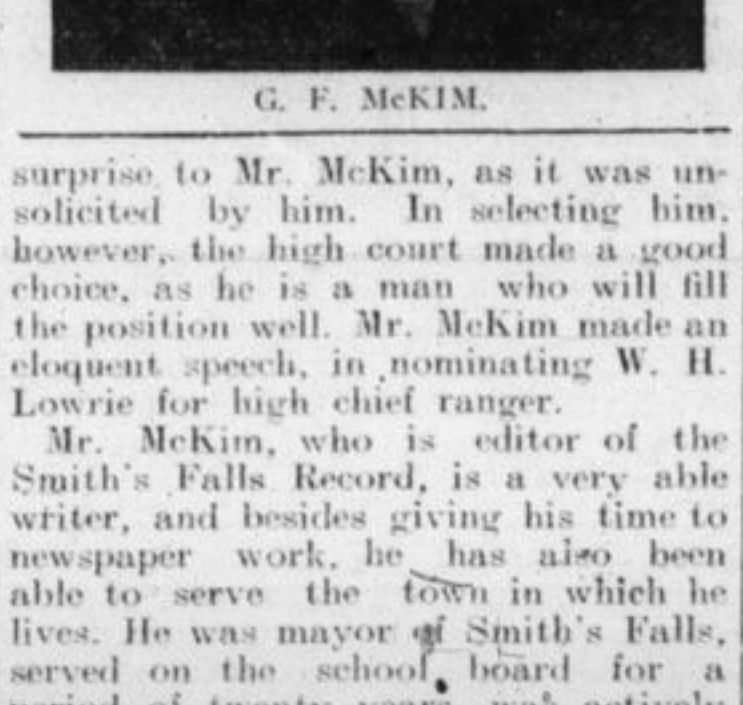

Drink For Health. To be wholesome, soda water ought to look good, taste good and be good. To be good in every sense it must be made from perfect materials and free from contamination of every kind. Our clean, polished glasses are typical of the purity of our soda. It is the kind that is as good as it looks and tastes. Wade's Drug Store.

Important Notice. There will be no further farm laborers' excursions to the North-West this season. Advertised excursions, both via Chicago, Toronto and North Bay, have been cancelled.

Big buyer sale on at Gilbert's, Pounds, tubs, crocks, pails.

W. H. LOWRIE.

G. F. MCKIM.

A DAY AT THE CAMP FINE SHOWING OF MEN AT BARRIEFIELD.

Half Holiday on Monday, With a Programme of Sports—Major-General Lake to Make An Inspection of Troops.

Yesterday was an ideal day for the military manoeuvres at Barriefield camp, and the day passed off very quietly, with nothing to mar the work in the field. The different regiments are showing up well in the work, and the camp gives every promise of being one of the best ever held in Eastern Ontario. All the usual inspections will be made within the next few days, and present indications point to an exceedingly good showing.

Wednesday night was a very cool night at the camp, but with the warm blankets the "soldier boys" were able to get a good sleep, and did not suffer from the cool weather in the night, but the warm weather usually brings about a great deal of sickness.

Orders have been given, announcing that Monday afternoon next (Labor Day), will be a half holiday, and that afternoon, a programme of sports that will be provided for the men, and a fine time is being looked forward to. The city council has made a grant for this programme, and as officers have also taken a great interest in the affair, there is every hope to be a good time.

The details in regard to the military tattoo, to be held on Wednesday evening next, are now being arranged, and this event, so popular with the general public is sure to prove a great success. Major-General P. H. N. Lake, C.B., C.M.G., inspector-general, will pay a visit to the camp on Wednesday next, and inspect the troops.

Lieut.-Col. Jones, G.G.H.S., D.G. M.S., Ottawa, will inspect the camp, this afternoon and to-morrow. On Wednesday and Thursday next, Lieut.-Col. V. A. S. Williams, A.D.C., inspector of cavalry, will inspect the 2nd Cavalry Brigade.

Officers of 45th Regiment. Following is a list of the officers of the 45th regiment, of Lindsay: Lieut.-Col. R. H. Sylvester in command. Major W. Henley, second in command.

Major F. H. Hopkins. Major M. A. Germain, adjutant. Capt. A. Gillespie, medical officer. Major E. Hopkins, quartermaster. Major J. A. Williamson, paymaster.

Capt. Rev. J. W. Wallace, chaplain. Bandmaster W. H. Roenigk. A. Co., Cameron, under command of Capt. C. G. Henley, Lieuts. R. E. Porter and F. Grew. H. Co., Cameron, under command of Capt. A. Touchburn, Lieuts. J. A. Duck and A. Touchburn.

C. Co., Lindsay, under command of Capt. W. Poltorf, Lieuts. J. Keith and T. F. Murtagh. F. Co., Cameron, under command of Capt. J. H. Fee, Lieuts. W. Thorn and Sutton. E. Co., Norland, under command of Capt. McLaw and Lieuts. W. L. Watson and A. Wakelin.

P. Co., Toronto Hill, under command of Capt. R. H. Anderson, Lieuts. Allen and Short. G. Co., Oakwood, under command of Capt. J. Coad, Lieuts. O. Coad and Glass. H. Co., Bobcaygeon, under command of Capt. Lancaster, Lieut. A. E. Simper, Lieut. B. H. Hopkins.

45th regiment band under Bandmaster W. H. Roenigk. The 45th band is in full strength and comprised of the following members: Bandmaster, W. H. Roenigk; O. Stewert, bass; Harman, bass; Roy Winn, euphonium; F. Martin trombone; L. Roenigk, trombone; M. Angle, alto; J. Martin, alto; W. Hedder, alto; L. McEwen, cornet; C. Davidson, cornet; S. Preston, cornet; F. Taylor, clarinet; G. Graham, clarinet; F. Timmerlake, clarinet; J. Bowers, clarinet; H. Wicks, clarinet; G. Moore, snare drum; A. Bates, drum; G. Hooper, snare drum.

Notes of The Camp. The duties at the camp on Thursday were furnished from the 7th infantry brigade, and to-day, by the 6th infantry brigade. Major W. W. Sande, of the 9th brigade, C.F.A., was camp medical orderly officer to-day.

Capt. G. T. Birch, corps reserve, 14th regiment, has been attached to No. 3 Co., C.A.S.C. Capt. Rev. W. Beattie, of the 40th regiment, has been granted leave of absence until Sept. 7th. Orders from headquarters state that reveille will sound at 5:30 a.m., instead of 6 a.m.

The following members have been detailed as members of the disability yard (horses): President, Major C. H. Rogers, 3rd Dragoons; Capt. J. S. Knight, 4th Hussars; Capt. G. H. Irwin, 4th Hussars.

MARRIED IN TORONTO. Rev. Father Kelly, Smith's Falls Officiated.

Kingston's Famous Fur Store.

We take it for granted that most every man in town knows this store as the right place to buy hats. We show an exceptionally large variety of exclusive styles, and we keep only good hats at all prices.

George Mills & Co. Importers of Fine Hats. Makers of Fine Fur. Princess St.

day for musketry instruction: 46th regiment, at the butts; 47th regiment; signalers, for musketry instruction; 49th regiment, for judging distance; 4th regiment, at the butts.

The health of the camp is an all-important matter, and it is certainly receiving the best of attention. Paymaster Serjt. Welch, of the 47th Regiment, was compelled to resign, owing to ill-health, much to the regret of his many friends.

Mounted police are on duty at the camp night and day. The best of order has been reported since the camp opened.

A big bonfire was a special attraction at the camp last night. Many of the soldiers gathered around the fire, joined in songs, and spent a most enjoyable evening. A bonfire has been suggested for every night.

Yesterday a horse was kicked by another animal, and suffered a broken jaw. The animal, which belonged to the 5th Field Battery, was cared for by the veterinary officers.

Some fine meetings have been held in the Y.M.C.A. tent, the music and addresses being much appreciated by the men. The association also provides writing material for the soldiers in camp.

Elliott Bros. have charge of the engine pumping the water. Two men are stationed on the grounds to look after the engine, which is now in first-class order. The water is pumped from a depth of 150 feet, into a tank thirty-five feet high.

The 47th and 49th Regiments have some clever boxers in their midst. Some of them have shown marked ability with the mitts in a few friendly matches pulled off. Quite a large number of citizens paid a visit to the camp yesterday. Sunday will be a busy day for visitors.

An advance party from the 57th Regiment, Peterboro, arrived here this morning. Six companies of the 57th will come here on Sunday to camp four days at Barriefield. On Monday, they will take a trip to the Thousand Islands.

A sensational runaway occurred at camp late yesterday afternoon. Horses attached to a gun wagon on No. 24 battery, broke away from their riders, throwing both off and injuring them. The horses swept across the field at mad gallop, and everybody in sight got out of the way. Some visitors to camp in carriages had to whip up their horses to get out of the line of gallop. The maddened animals proceeded close to the lines of the 9th Artillery brigade, when one of them stumbled and all went down in a heap. One of the horses was severely injured.

The horses at the camp, on the whole are not up to the mark of several previous camps. There are many good animals among the number, but the standard is not quite so high. Major Ferguson, of the 47th regiment, has one of the finest chargers in camp. The major used this horse at the ter-century celebration.

Major Sands, surgeon of the 9th brigade, C.F.A., acted as medical officer for the camp yesterday in place of Major Alger, of the 49th, who was called home by the death of a relative.

The board appointed to investigate the injury to a horse in the C.F.A., took evidence yesterday. It was found that the injury was due to the horse pulling on its own head fastened so severely as to fracture the superior maxillary. It was a case of attaching the fastening to the wrong end.

INCIDENTS OF THE DAY.

Newsy Paragraphs Picked Up By Reporters On Their Rounds.

See Bibby's new hats, \$2. Miss Arlette Elder, A.C.C.M., will receive her pupils in music at 207 William street, after September 1st.

The Bell telephone gang is working on Princess street, to-day, repairing the line and stringing some new wires. The remains of the late Edward Leveque will be removed to Gananoque on Saturday morning for burial. They will be buried in the family plot there.

The Kingston & Pembroke railway brought quite a large number of passengers to the city, to-day, from Sharbot Lake and intermediate points.

A great number of soldiers were over in the city on Thursday night, Princess street being well packed with them. Some got slightly illuminated and tried to set things in rapid motion, but were soon quieted.

A large number of people were at Macdonald park, on Thursday evening, and were sorry that the band concerts were over. The weather was fine for a concert. Some of the bands at camp might be invited over by the city fathers to give a concert in one of the parks.

CORRECT TIME

Can be secured from the Chronometer in Our Window. Now the City Clock is out of commission this will be very convenient.
