THEY HAVE WRITTEN

FIVE HUNDRED SAY THEY WILL TAKE LAND.

Evidence in Militia Department That Many Who Served in South Africa Are Anxious to Follow Plow in Western Fields—Veterans May Become Comfortable on New Homes.

Ottawa, Sept. 5.—From present appearances a good many men who "wielded the sword" in South Africa, will shortly follow the plow in Western Canada. The act of last session qualifying every man who served in a Canadian contingent in South Africa to a special grant of three hundred and twenty acres of land beyond the great lakes is proving an exceedingly popular matter among soldiers.

Word of the government's generosity carried far. Of the eight thousand odd men who made up Canada's three contingents over five hundred have already written to the militia department declaring that they want the land. Letters are coming every day. Most are from Western Canada but Canadian soldiers are writing from all parts of the world.

There have been letters received from a large number of men in South Africa, more than a few from England, Australia and New Zealand and scattering lot from other portions of the Empire and the world generally.

The veteran will be able to make himself exceedingly comfortable in the Canadian west for in addition to the soldier's rights he will be able to exercise homestead and pre-emption privileges of the ordinary settler and can become the possessor of a square mile of land, or six hundred and forty acres.

Warrants have been printed for the soldiers and the militia department will issue them from now on in favor of men qualified and forward them to the interior department which will give the necessary authorization to take up the land.

LATE CAMP NEWS.

The Sports on Monday Will Be Interesting.

The programme of sports at the camp on Monday, will include the following events: Putting 16-pound shot, 100 yards dash, 220 yards dash, relay race, one mile, team of four men from corps in camp; sack race, three-legged race, relief race; alarm race, Victoria Cross race, running broad jump, hop-step-and-jump; bayonet contest tag-of-war, teams of ten men; tug-of-war on horseback, teams of four men.

To-day Gen. Otter will inspect the lines of Camp Barrieffield, accompanied by the camp staff.

Col. Jones, D.G.M.S., left for Ottawa last night.

Cater Belson excelled all previous records in preparing yesterday, for the social function of Mrs. (Col.) Gordon. Everybody voted it the best affair ever given at headquarters.

Col. Rathbun, of the 9th Brigade, has the record for being the best story-teller in camp. He tells with a wealth of detail, an eloquence of description, and a style worthy of a Kipling in his best of camp tales.

The password at Barrieffield, this morning, in the west tent of the 9th Brigade was "Ledgers." Every officer appearing at table said "Ledgers," saluted and sat down to his morning meal.

The 8th Field Battery has the best mess arrangement for its men in the whole camp. Major Robinson, who commands, makes it a point to look after the "inner tube" of his men, and they appreciate it.

Major Manley, of the 5th, is working hard to bring his battery up to the high standard of previous years.

Capt. Francis, of the 5th, has the best Field Battery, is a favorite with his men and non-coms. and can get anything out of them in the way of work.

The water supply, yesterday, was good and the abundant.

The signallers have been graded into three classes, viz.: beginners, advanced, and heliographers. All the men are doing good work and acquiring instruction easily.

Last night there was a good programme at the "bonfire" gathering. Songs, recitations, etc., were of the best.

Major Cairns and a number of friends were visitors at the 9th mess table last evening. They left somewhere about 11 o'clock.

Sergeant Bailey and office staff have the best office tent ever used in camp. As an office, this tent and that of Col. Rathbun's are models of complete appointment.

PASSED TO ETERNAL REST.

Mrs. John Kerr Died at Ripe Old Age.

On Saturday morning, at nine o'clock, a beloved personality slipped quietly to the other life. An invalid for years, Mrs. Kerr, widow of the late John Kerr, first commanding officer of the 14th Regiment, has been away from the activities of church and social life, but when health and strength were hers she was ever one of the helpful ones.

In early life, Mrs. Kerr, whose maiden name was Clarinda Baxter, her father being an officer in the British army, was an Anglican, but when she married her husband she became a Presbyterian, and gave of her best to all good works in St. Andrew's church. Her charities, too, were unbounded, and many a poor person and family has had reason to bless her.

She was the happy mother of nine children, but three of whom are left—Charles D. Kerr, Walter R. Kerr, and Miss Ada at home. Mrs. William Sawyer, Brock street, a sister, also survives her, and will share in the deep sympathy which is going out to the family from all sides.
