When he met Mrs. Graham, he stopped and asked her the name of the street he was on, and she told him. On the pretence that he did not understand what she had said, he again asked her the same question, and as she was about to answer, he grabbed at her purse, and succeeded in getting it away from her. Naturally enough, Mes. Graham became frightened, and screamed, and as she did, the ruffian, who was about to run off, turned and slapped her in the face. Then he ran down the street as fast as he could. and was noticed running on Nelson street, but from there no further

trace of him could be found. The man was dressed in a light suit. and Mrs. Graham says that she could recognize him. Although it was quite dark, she was able to get a good view of his face, and was able to give the police a good description. Previous to the affair the man had been sitting on a bench in Victoria Park, and that he ty.
