Tied Up Loose Wire.
An electric wire running into a house on King street, near Union street, broke, to-day, and fell across the trolley wire. It was burning merrily for a few minutes until the belt car came along and the conductor got up on the top of the car and tied it up, swinging it clear of the trolley. It might have caused serious trouble had the wire been left there.

Captured Hoop Nets.
Fishery Inspector Taudvin made a good catch, on Tuesday afternoon, in Big Bay, securing eight sets of hoop nets. These nets, set out for all kinds of coarse fish, such as bull heads, etc., are not supposed to be used until October. About 300 pounds of fish were secured in the nets. The inspector knows the names of the men who set them and will prosecute them.
A Scandalous Delay.
The city council and city property committee of 1903 deserve trophies for their negligence in regard to the placing of the city buildings dome. It will be two months to-morrow since the old dome was burned, and the ruins remain as they did the day after the fire. The property committee has had some meetings, but a progressive spirit has been lacking. The work of restoring the dome should have been begun a month ago.

GROWD TOO SMALL
RUGBY MEETING HAD NOT A CORPORAL'S GUARD.
Support Must Come if a Team Desired—Queen's Team Looks Good—Will Be Ready October 10th.
A meeting was called for Tuesday evening at eight o'clock at the Hotel Randolph, to arrange for an O.R.F.U. football team, but nothing was done as only one or two men showed up. Those who were doing the most talking and were most in favor of a team stayed away. This same thing happened in the city before, last season. Four or five meetings had to be called before anyone showed up, and what was the result? The team was late in getting down to work. If the Kingston football lovers want a team, they must set on and support it, and take an interest in it from the first. Two or three good men signified their intention of staying by the team if the players turned out well and tried to do something for themselves, and at first shot out of the gun everybody quits. Another meeting will likely be called shortly.

Queen's Look Good.
Queen's rugby team had another fine practice on Tuesday afternoon. The players are now getting down to work from the side line they certainly look good. Every day recruits are turning out and old players are also reappearing one by one. By next week all will be back and at work. The two new trainees are proving satisfactory, performing their work in good style. Williams has not returned to the city yet, and it is not definitely known when he will arrive. All of last year's team that have turned out so far are doing good work. Elliott has improved greatly since last year. He is in perfect condition and is running and kicking like a veteran. "Hughie" Macdonnell has also improved in his kicking. This will be a great benefit to the team if all the half-backs can kick well. The team should be in good condition for its first game in Ottawa on October 10th.

THE LATE MISS SHARPE.
The Remains Were Interred at Wolfe Island.
The funeral of the late Miss Mary Ellen Sharpe, eldest daughter of the late Andrew Sharpe, who died at the family residence, 86 Ontario street, on Sunday morning last, took place on Tuesday morning. The remains were removed to the Church of the Sacred Heart, Wolfe Island, where a solemn requiem mass was sung by Rev. Father Spratt. The remains were then laid in the family plot beside those of her father and sister. The late Miss Sharpe passed peacefully away after an illness of two years. For the last eight months she had been confined to her room. The long illness was borne with marked patience. Miss Sharpe was an active member of the Children of Mary and other Catholic societies, where, as long as an earnest worker and devoted member. She was also a member of the League of the Sacred Heart. The deceased was well-known and her death cast a gloom over a large circle of friends. Besides her mother, three brothers, George, Andrew and William, and two sisters, Elizabeth and Annie, are left to mourn.
The casket was covered with beautiful floral offerings, from friends, including the following: Mr. and Mrs. Joseph Kehoe, shower bouquet and flowers; Mrs. A. J. Thornton, cut flowers; Mrs. L. Crozier, cut flowers; Mrs. Sullivan, cut flowers; Mrs. J. A. McDonald, cut flowers; John Erskine, cut flowers; Thomas Crozier, pillow; Lawrence Sleeth, cross; Mr. and Mrs. L. J. James, and family, pillow and cut flowers; Miss Constance Sleeth, shower bouquet; Earl Parkin, bolster; Joseph Palmer, wreath; Mrs. C. Bennett, Sr., wreath; Mrs. R. Shagrove, shower bouquet; Mrs. C. Staley, Jr., shower bouquet; Misses Whitney, sheet; Mrs. P. O'Neil, Aubin, Mich., shower bouquet; Mrs. Knott, cut flowers; Mrs. Hendry, sheet. A large number of mass tickets from the girl and boy friends of the deceased were also laid on the casket.

POLICE ON THE TRACK.
Stolen Hound Was Allowed to Return Home.
A week ago, Frederick Bibby, the well-known liveryman, lost a valuable hound. The animal was stolen, and it is believed by some person or persons who intended going on a hunting expedition to the Ottawa river, who was notified of the theft, was given information concerning the lost animal, after working on the case, and was about to make a round-up, when, to the great surprise of the owner, the dog this morning returned to the liveryman's stable. The dog had been tied up, and the belief is that the guilty party got wind of the fact that the police were hot on the track, and for this reason allowed the dog to return to its home. The dog never appeared very happy to get back to its old home.
Two years ago Mr. Bibby had two valuable hounds stolen from him, and these he never got trace of.

Several have put themselves on the list during the summer, and only yesterday morning, a young man asked to be registered.
