"The Real Widow Brown." A big_ little show so described, laimed for the company that ports "The Real Widow Brown," who an attractive, handsome, young widow. The young folks that are involved in the complications that surround her advent suppose they are to be inflicted with an ancient preceptress and prepare to disconcert her intended domicile in their midst. One young fellow impersonates a bogus widow,

another the father. There is a German baron, seeking an alliance with the handsome widow whom he has never seen. Then the pretty daughters of the household, the housemaid and the inquisitive boy and the real widow become involved in a series of complications and through mistaken identity that makes the performance one of continual laughter hroughout. The situations are naturally funny and clear of any roughness. Transitions are numerous and quick, and hold an audience in coninual anticipation of surprise. Singing and concert numbers and polite vaudeville are interspersed. At the matinee and night.
