

### APPLES, ORANGES FIGS AND PRUNES

The God-given Cure for All Diseases of  
Bowels, Liver, Kidneys  
and Skin.

Few people seem to realize how important—how absolutely necessary—it is to keep the Bowels, Kidneys and Skin in proper working order. They wonder why they have Sallow Complexions—Indigestion—Headaches—Rheumatism—while all the time their systems are clogged and poisoned with waste tissue and indigestible food which these organs should have removed.

What they need are Fruit Juices—nature's provision for keeping the eliminating machinery of the body working right. "Fruit-a-tives" are the concentrated juices of fresh, ripe fruits, combined in such a way that their medicinal action is greatly intensified. They stimulate and regulate the action of Liver, Bowels, Kidneys and Skin, thus clearing the system of the accumulated waste and poison, purifying the blood, and banishing those distressing troubles that make life miserable.

No other remedy has ever been discovered that does this so effectively as "Fruit-a-tives." 50c. a box—Bottles for \$2.50. Trial size 25c. Fruit-a-tives Limited, Ottawa.

### Leather Bags!

We have just received our new stock of Leather Goods. When passing drop in and let us show you the very latest styles:

Smoking and chewing at forty-five cents a pound, is a good tobacco. Why pay eighty-five cents. Andrew Maclean, Ontario street.

### VICTORY IN OTTAWA

#### QUEEN'S WON FROM ITS OLD-TIME RIVAL.

Final Score Was 14 to 7—Ottawa Led at Half-Time by 5 to 3—The Story of the Game Briefly Told.

Queen's rugby team made a good start on Saturday in the intercollegiate rivalry, Ottawa College, at the capital, by 14 to 7. This is the first time that Queen's ever won on Ottawa College grounds. The game was played before 2,500 spectators, including 300 Queen's supporters.

The teams were: Ottawa College—Bawlf, full back; Richards, Whelan, O'Neil, halves; Dean, quarter; Chartrand, Costello, Conway, scrum; Harrington, Hart, gertty, Ryan, Smith, McCarthy, Hart, wings.  
Queen's—Williams, full back; Macdonald, Crawford, Turner, halves; Moran, quarter; Bruce, Brewster, Gibson, scrum; Elliott, Murphy, Buck, McEann, Gallagher, Lawson, wings.

Referee, "Babe" Reynolds; umpire, Charlie Ross.  
Ottawa opened the game with a snap and a bunch of quick plays, which kept Queen's guessing. Before ten minutes had elapsed they had the ball in scrimmage on Queen's twenty-five-yard line. The ball was passed out to "Mike" Smith, who circled the end and carried it over for a touch-down, which Bawlf failed to convert. Ottawa, 5; Queen's, 0.

This seemed to waken up the Presbyterians and in a couple of minutes they forced the ball to Ottawa's line. They lost it and then it was hard play up and down, with Queen's gaining, but Ottawa getting out of tight places by good kicking and slowness on Queen's part. Finally Bawlf had to rouse on Williams' kick. Ottawa, 5; Queen's, 1.

Queen's added another in the same way after ten minutes' hard play, which "Kov" Williams' punting abilities were found useful. The half ended with the score 5 to 3 for Ottawa. Williams' kicking two touches in goal just before time.

The second half opened with a rush. Ottawa having the advantage, Crawford's rouge made the score 6 to 3. Williams made it 6 to 4 by another long kick for a touch-in-goal.

Ottawa held the scrum near their line and Elliott blocked Bawlf's kick and followed up, dropping on the pigskin for a touch-down, which was not converted. Queen's 9; Ottawa, 6. The most spectacular play of the game followed shortly. Out of Queen's scrimmage on the half line, Burnett carried the ball around, passing to Macdonald, who zigzagged through the Ottawa line for fifty yards and scored another touch. Queen's, 14; Ottawa, 6. Ottawa scored a rouge a few minutes later. The game ended 14 to 7 in Queen's favor.

**Queen's II Defeated R.M.C.**  
Queen's II won from Carleton, 13 to 10, at the university athletic grounds on Saturday afternoon in the intermediate intercollegiate series. The weather was ideal for the contest. What wind there was blew right across the field, benefiting neither team to any extent. For the first game of the season the attendance was very slim indeed, not over 200 people being present.

The Cadets had the advantage in weight. They are all husky big fellows, and in fine condition. Their line would average quite a little more than Queen's, and although their back division were heavier they were just as fast as the Queen's men. When the game was called it was seen that the soldiers did not have it over the university boys and in the first half they found it almost impossible to break through the line. The Cadets showed the better condition all through the game, especially in the second half, when they held Queen's down well, not allowing them to get a point, while they landed six, securing a touch without a try and a rouge. Queen's worked well all through, but want a little more team work. They were handicapped in many places, and deserve great credit for their victory. From the spectators' standpoint the game was a good one to watch. It was practically clean, only two men being sent to handle their feet over the fence and then only for a minute for minor offences.

At 2:45 o'clock, the teams faced each other in the following order: Queen's (13)—Cormack, full back; McKenzie, (Capt.) Leckie, Smith, halves; Meik, quarter; Reid, Reid, Reid, Ormond, scrum; McKay, Houston, inside wings; Clarke, Thompson, middle wings; Macreels, Young, outside wings.

Cadets (10)—Meredith, full back; McKenzie, (Capt.) Green, Bowell, halves; Reid, quarter; Young, Ringwood, Holt, scrum; Hutton, Rogers, inside wings; Parr, Arnoldi, middle wings; Goodeve, Reifenstein, outside wings.

Referee—Charles Moxley; umpire, William Bearance.  
Queen's played fine ball for the first half, keeping the leather most of the time in Cadets' territory. About two minutes before play was up Capt. McKenzie, of Queen's, had his ankle hurt on a tackle and was replaced by

**Some horses will stand**  
at a hitching post without hitching. Sovereign shells and Crown shells will both stand without hitching, but are always ready to go at the "cluck" of the firing pin.

**SOVEREIGN shells** (Empire smokeless powder) shells jerk the shafts out when they go. In other words, they don't strain the breech.

For all makes of arms. Costs one-third to one-fifth less than duty paying ammunition. Our guarantee puts all risk on the Dominion Cartridge Co., Ltd., Montreal.

**DOMINION AMMUNITION**

### COURSE OF BRIBERY

#### A SERMON BY REV. W. H. SPARLING.

The Ballot is the Poor Man's Patent of Liberty—It is Time the Bribery Evil Ceased—Reform Leagues Doing Good Work.

In Queen street Methodist church on Sunday Rev. W. H. Sparling preached a strong sermon on bribery and corruption in elections to a large congregation. He chose his text from Proverbs xiv. 34: "Righteousness exalteth a nation but sin is a reproach to any people." The speaker said that righteousness was a nation's safety, and that righteousness in a nation depended upon individual righteousness.

In referring to the bribery in election the preacher said that the time was now ripe for rebuking the national vice. It has existed, does exist at the present time and is ever increasing. One party is no worse than the other, as has been often shown in the courts. Like the liquor traffic vice cannot be stamped out all at once. "A man who bribes another man," said Mr. Sparling, "lowers himself to the same level as the bribed. There are men who would scorn to accept a bribe for their own vote, yet they will go out and bribe others for the sake of a party vote." The preacher went on to say that a voter must feel very degraded when he entered a polling booth and saw the number of men gathered around. "Are they there through interest to their party?" He would be glad to think so, but no, they are there for money, to sell their vote to the highest bidder. "Now this is outrageous and every citizen must be sorry that it exists and our candidates must feel lowered. This evil must cease here."

The ballot is the poor man's patent of liberty, his voice in the government, and makes him, on election day, the peer of any in the land. The poor man may protect himself and his interests on election day by the ballot. If judges and jurors sell their verdicts as voters sell their votes the poor man is lost. He should sacredly guard his ballot. Every self-respecting man must deplore this state of affairs, and every party candidate must feel lowered. This evil must cease here.

When the stomach is weak a portion of the food does not digest. It ferments, sours and creates flatulence. Palpitation of the heart or headache is apt to result.  
Day's Dyspepsia Cure gives prompt relief and restores proper digestion.  
This preparation has Digestive, Tonic and Laxative properties. Each bottle contains sixteen days' treatment. For sale only at Wade's Drug Store.

**MISSING WORD PUZZLE**  
GRAY HAIR COMES WHEN A \_\_\_\_\_ BUT BY THE USE \_\_\_\_\_ OF HAIR DYE MANY A ONE \_\_\_\_\_ TO LOOK YOUNG

Here is a clever missing-word puzzle, wherein you are asked to place some word in the upper blank space and the same word in the lower space, so that both sentences read properly. Answer Wednesday.

**Solution to Cashier's Puzzle.**  
If we call the day's wage of the mason x and the day's pay of the laborer y then we have the following equation from the facts given: 15x plus 3y plus \$60 equals \$177. Then we know that x equals y plus \$3. Eliminating one of the two unknown quantities we learn that a mason's daily wage was \$1.60, a carpenter's \$3, and a laborer's \$1.60.

**Orangemen At Church.**  
Allisonville, Oct. 9.—Mr. Ainsworth preached a good sermon to the Orangemen at Boverman's hall, Sunday. Mr. and Mrs. L. Drummond are visiting in Rochester this week. Charles McFaul is getting over a bad attack of whooping-cough. Master Leo Hicks has been quite ill, but is better now. Mr. and Mrs. Davidson, Nanaimo, visited at Bruce McFaul's a couple of days last week. Mr. and Mrs. Arthur Murphy visited at Francis Blakely's, Sunday. Bruce McFaul is putting a new galvanized roof on his kitchen and will have cement verandahs. Royal Hicks has returned home from the North-West, after a month's visit with friends. The many friends of Mrs. Bruce McFaul are glad to learn that after her severe illness she has gained sufficiently to sit up part of the time during the day. Her brother, Dr. Lucas, Brooklyn, N.Y., gave every encouragement that she would regain her usual health, but stated that it would take a long time.

**Mount Chesney Notes.**  
Mount Chesney, Oct. 10.—Potato digging is the order of the day. Several farmers have had sheep killed by dogs. James Hickey returned home from the Hotel Dieu. Visitors: Harry Blacklock, at G. Patterson's; E. Moore, at W. Blacklock's; D. Rowler, in the city; G. Patterson, in the city; Thomas Hussey at H. Searls'; E. McGarvey at George Draper's; Mr. and Mrs. John Smith and little daughter spent Sunday in Cusheadall; Miss Mary Ellen Draper is visiting friends in the city.

**Legs Stuck Out.**  
Albany Journal.  
Mrs. Hicks was telling some ladies about the burglar scare in her house the night before.  
"Yes," she said, "I heard a noise and got up, and there, from under the bed, I saw a man's legs sticking out."  
"Mercy," exclaimed a woman, "the burglar's legs?"  
"No, my dear; my husband's legs. He heard the noise too."

**Woman's Place In Medicine.**  
The Nation.  
The Englishwoman is making great headway in the medical profession. There is no trample ground for barring the skilled woman from any of the honors or privileges of the profession. It is better to give cordially what she demands than to wait till she takes what she deserves, and thus render the withholder ridiculous.

An afternoon tea without gossip has no particular right to be called so.

### WEDDED AT COBALT.

Cobalt Nugget.  
A pretty but quiet wedding took place at the Cobalt Methodist parsonage on Tuesday afternoon, Oct. 6th, when the contracting parties were Miss Harriet Warte, whose home is at Richland, N.Y., and Ernest E. Campbell, of Godfrey, Ont., who has been prospecting in this district for about two years. The ceremony was performed by Rev. A. F. Mackenzie. Miss Coral Walker, niece of the groom, was in attendance on the bride, and Rev. J. E. Hunter, of Latchford, accompanied the groom. It is the intention of Mr. and Mrs. Campbell to take up their residence in Cobalt for a time.

**Indoor Gown of Cloth.**  
The low, round collar, leaving the neck exposed, is very becoming to most youthful wearers, and the collarless bodice is to be very fashionable for indoor wear during the fall and winter. The frock here pictured was of very simple design, but would make a very attractive frock for house wear. The model was of grayish blue soft woolen material, of light weight, and was closed down the centre of the front with buttons of the same color. The gown was in semi-princess style, and long tucked sleeves of net dyed to match the cloth were used. The low collar was of white Irish lace and the tie of black satin.

**Fermenting Food.**  
When the stomach is weak a portion of the food does not digest. It ferments, sours and creates flatulence. Palpitation of the heart or headache is apt to result.  
Day's Dyspepsia Cure gives prompt relief and restores proper digestion.  
This preparation has Digestive, Tonic and Laxative properties. Each bottle contains sixteen days' treatment. For sale only at Wade's Drug Store.
