"MY KIDNEYS HURT ME ALL THE TIME"

Gin Pills Cured Them. Free Sample Box Leads to Cure.

Only those who have been tormented with Kidney Trouble can appreciate how Mr. Trumper suffered. Being a railroad man, he was called upon to do all kind of heavy work. The constant strain of lifting, weakened the kidneys. I received the sample box of Gin Pills and was greatly benefited by them. My kidneys were in such bad condition I could not lift or stoop without pain. In fact, they pained me nearly all the time I have taken three boxes of Gin Pills working all the time at heavy work on the railroad and did not lose a day.

WHAT WHIG CORRESPONDENTS TELL US.

The Tidings From Various Points in Eastern Ontario—What People Are Doing And What They Are Saying.

Westport Tidings.
Westport, Oct. 12.—D. Deacon spent a few days of this week at home. Miss Ethel McMillan has returned to Verdon. J. H. Stinson has sold his roadster to Messrs. Stafford and Ripley, of the Kingston-Westport stage line. M. Bauer, butcher, has sold out his meat market to John Whitmarsh, Jr. J. V. Donnelly was a visitor over Sunday. A. B. Porter, of Portland, Oregon, is renewing acquaintances in town. Miss Marcella Donnelly, Plum Hollow, spent Sunday at home. Miss Cook has returned to her home at Kinston. A very pretty wedding took place at St. Agnes' church, when Miss Clara White, of this place, was married to Mr. Cordick, of Burgess. Mr. and Mrs. Cordick intend living in Perth.

Hartington Happenings.
Hartington, Oct. 12.—Farmers are busy digging potatoes. Early crops are reported a failure, but the late crops are above the average. A number of men are employed in repairing the Methodist church. E. Botting has sold his farm to E. Campsall. S. Snyder, a former resident, has again taken up his residence here. Miss Delie Campsall has returned from Ottawa, where she has been visiting her brother for a number of weeks. Mrs. Vanlue is the guest of Mrs. J. Taylor. Mr. and Miss Maloney, Clayton, N.Y., are visiting at E. Freeman's. A number from here attended the organization of a society of Christian Endeavor at Harrowsmith, last Tuesday evening.

Notes From Sharpton.
Sharpton, Oct. 10.—The protracted drought is quite a serious drawback. The ground has not had a thorough wetting since the forepart of August, and it is hard to plough, and if rain does not soon come, water will be very scarce. It has been a very poor fall for pasture. The milk supply has averaged low. The financial returns of course will be accordingly. This is the driest fall since 1895. The first soaking rain did not fall that year until the 9th of November, nevertheless, at that date, most of the ploughing was done. The year 1908 will be remembered as having one of the wettest springs and one of the driest falls. Mr. Koen, Sr., is very ill. Visitors: Mrs. T. Somerville, with friends at Tamworth; Miss Myrtle Taylor, with friends at Hartington.

Arden Captain Wedded.
Arden, Oct. 12.—John Newton, Belleville, grand district deputy of the thirtieth Masonic district, was in Tweed, on Friday, the 9th. J. S. Post, G. S. Monds, F. L. Wormworth, of St. Andrew's Lodge, were at Arden attending the meeting. J. W. Brown has returned home from the West. He saw a lot of old Kennebec boys at Saskatchewan. They are all well and like the country. Mr. Brown is much improved in health. M. Avery, M.P., has purchased the limits known as the Vanness lots from B. F. Dettlor. He is going to put a mill there this winter, and will saw and draw the lumber to Arden station. This will give a lot of employment to men and teams this winter. Mrs. F. L. Wormworth and her mother, Mrs. J. B. Shandra, were in Kingston last week. Captain George Pringle and Miss Emily Wort were united in marriage at Tweed, on Friday, October 9th.

Bloomfield Briefs.
Bloomfield, Oct. 12.—The canning factories have closed their season's operations, after one of the largest packs in their history. Owing to the dry weather, very little plowing is being done. Silos are being filled, apples picked and a general harvesting of late crops is under way. George Romack, Gerard Kendall, Alfred Cooper and Curtis Stanton, have returned from a trip to the North-West. H. W. Pedell has the contract for the building of a new cement bridge in the village, and material for its construction is being hauled. Dr. Morley Currie, liberal candidate in the coming election, held a meeting here on Thursday evening. H. Y. Cooper's mill, which has been undergoing repairs, is now nearing completion. A new engine and boiler have been installed in a new engine house adjoining the mill, constructed of brick and cement, which is fireproof. A new metal roof has been placed on the new tire mill. The flour mill is compelled to run overtime to keep up with its trade. John Eaton has purchased the residence owned by the late Adam Saylor.

Budget From Sydenham.
Sydenham, Oct. 12.—Mr. and Mrs. John Storms have rented the village residence of Mrs. Stinson. Franklin Guess and family are busy moving into their new home, lately purchased from Miss Deacy. Mrs. Kennedy has bought the house and lot occupied by Miss Deen, from Mrs. Campbell. Miss Deen will move down in the village. George Guess is making extensive improvements on the surroundings of his new residence and also laying down new cement walks. Percy Asselstine, of Moscow, is with his grandparents, Mr. and Mrs. Anson Guess. C. E. Taylor has rented the meat shop and taken over the butchering business from W. Godfrey. W. Godfrey is an assistant with James Graham in the butcher shop. Miss Thora Clow, Hartington, is spending a few days at her uncle's, John Clow. Miss Sarah Lake is visiting her sister, Mrs. Miller, Wilton. Neil Sills has returned back after spending a few days with his parents here. Arthur Young is building a new house in connection with his hardware store. Miss Gladys Knapp, Mr. and Mrs. L. W. Trousdale and Mr. and Mrs. Duncan Melbourn, went on the New York excursion. Mrs. Ina Hagerman and children are visiting friends in Kingston. Mrs. Townsend has sold her house and lot to Mr. Fraser. Mr. and Mrs. Myers have moved to Kingston. Sperry Snider has moved to his farm at Star Corners, and Frank McRory has moved

to his farm, formerly owned by Mrs. Caldwell.

Newton has the job of draining it out. Mrs. Rogers has also bought some fodder for the cows, which Charles Parker expects to take to her. E. Enrich Your Blood.

Attractive faces are healthy faces. You may not care for looks but you do for health. Skin eruptions or dull sallow complexions are a sign of blood disorder. Clear your complexion by clearing your system of waste matter and by enriching your blood. The remedy to use is Wade's Tonic Pills (Laxative). They are a great nerve strengthener and blood maker. In boxes, 25c, at Wade's Drug Store. Money back if not satisfactory.

Gown Of Dark Blue Cloth.

An attractive and practical gown for street wear is here pictured, the model frock being of dark blue cloth trimmed with buttons of the same. The bodice was untrimmed, except for cut forms of the cloth piped with dark blue satin. The yoke and long tucked undersleeves were of this tucked mousseline over white net.

Stop Falling Hair.

It is easier to keep the hair you have than to restore it when once lost. The use of Dr. Dawson's Hair Restorer will always ensure you to stop the falling out of hair and to quicken its growth. Restores gray hair to its natural color. In bottles, 50c. each, at Wade's Drug Store.

Wait For Development.

Hamilton Herald.
Before going into raptures over Premier Whitney's assurance that his government will not allow its cheap labor policy to be obstructed by technicalities, you had better wait and see what the assurance means or whether it means anything in particular.

ARE YOU WEAK AFTER SICKNESS?

Later on it will be harder to get strong than to-day. What are you doing to get well?

A case in point is well exemplified in the following letter from Mrs. V. J. Wilder, wife of a well-known citizen of Pittsfield, who writes: "I had a nervous disorder that completely prostrated me. I couldn't sleep, and would lay and toss about all night, arising in the morning more than once, ever, head heavy, eyes dull, and every bone and muscle aching. I tried to get along without calling in a doctor, but was finally driven to it. He treated me for some time, but with no perceptible improvement in my health. Some one recommended Ferrerozine. The change it effected in my system was noticeable almost instantly. I gradually took on flesh. The 'all-gone' feeling left me. In less than six weeks I was fully recovered from what looked to me like an everlasting sickness. I will always recommend Ferrerozine, feeling with sincerity that it is an honest, powerful, health-giving tonic." Try Ferrerozine to-day! The nourishment and vital energy it supplies is wonderful. Ferrerozine makes you feel better at once, it's good for men, for women, for children—just the thing for everybody seeking better health. Sold by all dealers, 50c. per box, or six boxes for \$2.50.

The Value of Economy

Many people fail to save, because they do not realize the importance of small economies. The practice, once begun, of laying aside a portion of your income, no matter how small, every week or month, will soon become a fixed habit. The result in a few years will probably surprise, and certainly gratify you. Start a Savings Account to-day with
