tory. From present indications Mr. have met on an equal footing in these to the condition of the health of his flour mill on Main street; one of the Watertown yachtsmen for some time, though it is probable that an official as much consideration as their own. count will have to be made in order to determine the result of the balloting for the electoral ticket. Mr. Taft's probable vote in the electoral college Albertan will be 327 against a possible 156 for Bryan, Colorado being still in doubt, Eliminating Colorado, with its five electoral votes, Bryan, apparently, has carried only enough states to give him 191 votes in the electoral college; conceding Colorado to Bryan, it is likely Mr. Taft's majority in the eletoral college will be 171.

Taft has carried Obio by about 50, 000 majority, which is a normal republican majority in presidential years. The election of Judson Harmon, democrat, for governor of Ohio is conceded by a small plurality by his opponents, but he claims he has carried the state by 8,000. The Ohio legislature is republican, thus ensuring the election of a republican senator to succeed Joseph B. Foraker.
