Vinol Cures Chronic Coughs, Colds and Bronchitis.

After Other Remedies Fail.
"I have been troubled with a chronic cold and bronchitis for a long time and have tried many remedies without finding relief. Through the kind suggestion of a friend I tried Vinol, and after taking four bottles, am entirely cured." A. H. Wilde, 733-8th avenue, Minneapolis, Minn.
S. McDonald, 147 W. Congress St., St. Paul, Minn., writes: "I contracted a severe cold last winter and thought I would never get rid of it. I tried Vinol as a last resort, and it has completely cured me."
Vinol combines two world-famed tonics, the healing, medicinal properties of cod liver oil and tonic iron, deliciously palatable and agreeable to the weakest stomach. For this reason Vinol is unexcelled as a strength-builder for old people, delicate children, weak and run-down persons, after sickness, and for chronic coughs, colds and bronchitis.
Vinol is sold in Kingston by Geo. W. Mahood, Druggist.

WAS BALD SIX YEARS.

Three Months of the New Scientific Treatment Restored His Hair.
Baldness is caused by dandruff which is caused by a germ. Kill the germ and it is almost certain that hair will grow again, if the follicle has not been totally destroyed. Nels Peterson, of Lime Spur, Mont., says: "I had been bald six years, and had tried all kinds of cures, but without any benefit whatever, until I tried Herpicide, November 16th, 1899, I began using Herpicide, and in three months a fine growth of hair covered my head completely." Ask your druggist for Herpicide. Everybody can have luxuriant, glossy hair, if Herpicide is used thoroughly. Take no substitute. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich. Two sizes, 30c. and \$1. G. W. Mahood, special agent.

A GROUP OF CELEBRITIES.
In this remarkable group photograph are to be found men and women who have taken a prominent place in the social and diplomatic circles of Europe. From left to right will be found Post Wheeler, second secretary to the American Embassy at Tokio, Japan; his wife, Estelle Ermine Rivers Wheeler, novelist; Reginald Ronalds; Mrs. Joseph Stickney, widow of the coal baron; Mrs. Fannie Carter Ronalds, whose entertainments are the talk of London, and John Barrett, president of the National Bureau of American Republics.

The ceremony was performed by Rev. C. W. DeMille in the presence of more than eighty relatives and friends. Just at twelve noon the bridal party entered the parlor, while Miss Neta Smith, cousin of the bride, played the wedding march. The bride, given away by her grandfather, Nelson L. Dean, was handsomely gowned in blue silk and carried a bouquet of white carnations. Miss Nellis Huyck, palm jardiniere and stand. The large number of useful gifts and the warm words of congratulation are indicative of the esteem in which the bride and groom are held.

Frock Of Rough Silk.
The odd little frock here depicted was sketched from a model designed for a young girl. The original gown was of pale blue Japanese rough-finish silk, with the under-bodice and sleeves of tucked mousseline. The bodice was oddly cut into straps and was embroidered in pale blue and mauve in a raised design. Little buttons of pale blue silk were used as trimming, and the short skirt was plaited and finished by a deep hem.
Mrs. Amey, Odessa, died on Friday.
