### Weak Nervous Women

Their sad story would fill a book of countless pages.

Ever since the world began woman has borne more than her share of suffering. Secret troubles undermine her strength; yet she seldom complains. But because she has suffered in the past is no reason why she should forever be dragged down by misery and sleeplessness. There are periods in the life of every woman when she should exercise great care in the protection of her health. There are times when the slightest cold will bring on troubles that shock the nervous system, weaken the frame and invite disease.

##### Thousands Have Been Cured.

There is a remedy, one that will lift that awful burden and remove the ill from which women suffer. The name of this remedy is Ferrozone, which today is a household word throughout the length and breadth of the American continent.
