THE HALLS OF QUEEN'S

THE SENATE INSISTS UPON VACCINATION.

The Caste Selected For the Production of "Much Ado About Nothing"—Meetings of Indoor Athletic Clubs.

The following notice was posted on all bulletin boards yesterday:—"The statute requires that all students in attendance from the Board of Health shall be prepared within a certain limit to present certificates of vaccination. The Board of Health now requires that such certificates shall be presented within the next ten days and students in attendance from the Board of Health are therefore asked to present their certificates to the registrar of the university and students of medicine to Dr. A. R. B. Williamson, secretary of Medical College. It is hoped that all professors and students will promptly and heartily unite in seeing that the requirements of the law are in this matter fully met."

Students are rushing down to the hospital in crowds since the appearance of the above notice and it will not be long before all are vaccinated.

The meeting of all those interested in curling and the new curling club will be held in athletic committee room (Tuesday, Nov. 17th, 7 p.m.) for the purpose of electing officers for coming season. At 8 p.m. of the same day in the same place will be held a meeting of the boxing, wrestling and fencing club to make arrangements for this season's work.

The caste of characters for this season's presentation of "Much Ado About Nothing," has been finally arranged. A number of last year's players are being taken into the ranks and the students may look for a successful production on Nov. 30th, in the Grand Opera House.

The following is the caste:—Don Pedro, C. S. Russell; Don John, G. S. Otto; Claudio, S. J. Coutt; Benedick, A. E. O'Neill; Leonato, G. V. Urie; Antonio, S. D. Smith; Balthazar, Charles McLaughy; Conrade, A. V. Gilbert; Boatswain, G. W. Ritchie; Friar Francis, W. A. Sutherland; Hero, Miss Walks; Beatrice, Miss Ada Chown; Dogberry, P. T. Pikey; Verges, F. H. Huff; Margaret, Miss Jean Campbell; Ursula, Miss Carlyle; 1st watch, F. G. Le Clair; 2nd watch, Bruce Canon.

Miss Jean Campbell who acquitted herself last year so admirably as "Maria" will not be able to play the part of "Margaret." Her place therefore will have to be filled.

CLEVER COMPOSITION

On "A Trip to the Woods in Spring."

Written by Victor Lanos, aged twelve, in the senior fourth form of St. Mary's school.

One morning last spring, some friends and I planned to spend the day in the woods which rise and all with the undulating hills and valleys in the blue haze about distant from our home. The necessary preparations being made, including a substantial lunch, where motherly care saw to both quantity and quality, we set off on our three-mile walk.

We were so intent upon our goal that we almost failed to notice the gentle sun shining in the azure sky, and the budding shoots and gleaming rushes leaning a thousand ways under the refreshing breeze by the roadside. When we arrived at the outskirts of the woods we rested for a few minutes under the shade of a rugged oak before resuming our walk. Never before had I been so impressed by the religious and poetic feeling of the scene as I now experienced.

The intense burning, itching and smarting, especially at night or when the part is exposed to any strong heat, are almost unbearable.

The pre-eminent success which Burdock Blood Bitters has met with in permanently curing a disease of such severity is due to its wonderful blood cleansing and purifying properties.

No other remedy has done, or can do, so much for those who are almost driven to distraction with the terrible torture, as our thousands of signed testimonials can testify to.

Mrs. John O'Connor, Burlington, N.S., writes:—"For years I suffered with Salt Rheum. I tried a dozen different medicines, but most of them only made it worse. I was advised to try Burdock Blood Bitters. I got a bottle and before I had taken it contained in use and now I am completely cured. I cannot say too much for your wonderful medicine."

For sale by all druggists and dealers.

THE POWER OF STEAM.

Many May See But it Takes Genius to Realize.

When James Watt saw the steam causing the kettle lid to jump up and down he said, "There must be power in that steam that it can lift such a weight."

There was.

Millions prior to him had seen the same phenomenon and regarded it as an unexplained mystery.

Recent scientific research has put its finger on the "cause" of dandruff, falling hair, and consequent baldness, and has unearthed a tiny germ which eats the life from the roots of human hair.

Newbro's Herpicide destroys this germ and consequently restores the hair to its natural state.

Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. Two sizes, 50c. and \$1. G. W. Mahood, special agent.

THE PARAGRAPH PULPIT

Unitarian. REV. C. W. CASSON.

The Holiness of Wholesomeness. Whatever is wholesome is holy. Such is the new conception. Not always was this the popular view. Once holiness was something unnatural and unwholesome, as illustrated in the hermit life of the monks of old. But today we cannot consider such life to be holy or even religious. We know that the man who is living a natural, wholesome, full-orbed, helpful life is much nearer our ideal of the holy man. It is such holiness that the Unitarian church endeavors to develop in the lives of its members.

Address, Rev. C. W. Casson, at 25 Beacon street, Boston, Mass., for the literature.
