DR. WILSON, OF ATTWOOD, ATTACKED BY GLANDERS

Was Stricken in Chicago—Pursuing Post-Graduate Course He Became Infected—Slight Hopes of His Recovery.

Chicago, Ill., Nov. 19.—Infected with the rare and terrible disease of glanders while experimenting with the guinea pig, Dr. Thomas M. Wilson, Attwood, Ont., is fighting a losing battle for his life at the Presbyterian Hospital. Dr. Wilson was pursuing a course of post-graduate work in the laboratory of Prof. Ludwig Hentson at Rush Medical College, and it is supposed that it was there the malignant germ entered his system. The disease developed two weeks ago. He was placed in an isolated room in the hospital and the doctors and nurses began a stubborn contest against the malady.

Glanders occurs frequently in horses and some other animals, but is rare in human beings, and in the majority of cases is fatal to them. It attacks the respiratory passages. At the hospital it was said that Dr. Wilson was very weak.

Edible for men's fine underwear. Tens grown at high altitudes on the mountain slopes of Ceylon, where the growth is slower and cultivation more careful than in the warm, humid climate of the valleys, are used in "Salada" Tea. High-grade tea, like "Salada" is not only of a finer quality, but contains more of the essential oil in the leaf than valley-grown tea. This is easily proved by comparing a drawing of "Salada" Tea with any other.

To Digest the Food

Is One of the Secrets of Happiness; Digestion is Improved By

Dr. A. W. Chase's Kidney-Liver Pills

Bile in the intestines is as important to digestion as are the gastric juices in the stomach and bile is only supplied when the liver is in active condition. The serious and chronic forms of indigestion are cured by Dr. A. W. Chase's Kidney-Liver Pills because of their influence on the liver, causing a good flow of bile to aid digestion and keep the bowels regular, thereby preventing fermentation of the food, the formation of gas and all the disagreeable symptoms of indigestion.

Long standing cases of chronic indigestion yield to Dr. A. W. Chase's Kidney-Liver Pills after all else has failed. Here's the proof: "I was for many years troubled with indigestion and headache and derived no benefit from the many remedies I used. A friend advised the use of Dr. Chase's Kidney-Liver Pills and after taking four boxes the result is that I am once more in the full enjoyment of the blessings of good health."

FRANCE TO RESENT.

The Thousand Annoyances Thrust Upon It.

Paris, Nov. 19.—The apparent scope of Chancellor Von Bulow's ascendancy in the struggle with the Kaiser, is discussed with sharp misgivings in the French press. The editor of the Figaro, in a signed article, writes: "The thousand annoyances that Prince Von Bulow has delighted to thrust upon us, without provocation or justice, threaten soon to transform France, so patient and calm, into an outraged nation. We are getting tired of long endurance and humiliations and would gladly rise with the spirit and ancient valor of our race. Is that the consummation that Prince Von Bulow wishes to achieve? Let us thank him, from now, for re-kindling the flame of our national sentiment."

WHEN YOU CAN'T SLEEP. There is many a man and woman tossing night after night upon a sleepless bed. Their eyes do not close in the sweet and refreshing repose that comes to those whose heart and nerves are right. Some constitutional disturbance, worry or disease has so debilitated and irritated the nervous system, that it cannot be quieted. Or again, you have, a sinking sensation, a feeling you are going to die, or perhaps, you wake in your sleep feeling as though you were about to choke or smother, and rest leaves you for the night. If you allow these conditions to continue for a short period even, you will begin to feel your health declining. It is the nerves and heart not acting rightly, and they can only be set right by the use of Milburn's Heart and Nerve Pills. They soon induce healthful, refreshing sleep, not by deadening the nerves, but by restoring them to healthy action. Mrs. E. Nutt, St. Mary's, Ont., writes: "I can gladly recommend your Milburn's Heart and Nerve Pills as I was greatly troubled with my nerves. I was so bad I could not sleep at night without the lamp burning, but after taking four boxes of the pills I became all right again." Price, 50 cents per box; 3 boxes for \$1.25, at all dealers or The T. Milburn Co., Limited, Toronto, Ont.
