THE SHIP'S BANK.

Tow Jack Tars Are Encouraged

to Be Thrifty. That Jack is not unthrifty is evident from the fact that at the present time £300,000 stands to the credit of 30,000 depositors in the ship dockyard and marine banks. As a rule sailors in the navy prefer to deposit their money in the ship's bank, which is managed by the paymaster, and which pays interest O Lord, who knowest every need o at the rate of 334 per cent., while in the other banks the usual 21/2 per cent.

Another advantage which the ship's bank has over the dockyard bank is be withdrawn with little trouble by merely giving seven days notice. It however, a sailor has deposited all his Give me fresh faith for every hour, to draw out while serving abroad he And make complaint usually has to wait about three weeks Give me a heart, O' Lord, strong to encar service with headquarters in Monbefore an order to pay is received from

for there are not a great many opportunities afforded him when on foreign service of spending money. Moreover, if he does not mind working in his spare time there are several ways in which he can augment his pay to a considerable extent.

Before certain new regulations came A silly notion of outwitting fate, nto force a year or so ago which comnade from the paymaster it was no uncommon thing for Jack to earn £4 or In humble reverence to such as he. 55 per month extra by tailoring. A lowever, to take the nearest fit, and as That man is master of

nate to make them for him. The latter usually charged 5s. for D. J. McLennan was, this morning, naking a pair of trousers and a jumper, the work being done with a hand ewing machine. Some sailors stitched Man heir own clothes by hand, but this beng a rather long task Jack usually ound the purchase of a sewing machine 1 good investment, for with its aid he Chicago News. vas sometimes able to make seven or eight suits in a week. But now, of course, that source of income is stop-

Even more profitable at times, howver, is laundry work. Twopence per when he was stricken and expired article, big or little, bar blankets, for which sixpence is charged, is the price vhich Jack has to pay for his washing f he does not do it himself. On an werage a sailor's washing costs him bout one shilling a week, and as one nan will sometimes wash for thirty or orty of his shipmates he more than loubles and in some cases trebles his

The money is well earned, however, The washing and ironing of the clothes imes a harder job still. There are alvays mischievous souls aboard ready to ut down the line on which the clothes nay be hanging for a joke, necessitating double washing, while, if the laundrynan does not keep his eyes open some of the articles may be missining, in which case he has to replace them. And, s one ship's laundryman significantly in article has been down in the stoke-

Barbering is a profitable business board, and many a sailor earns from os. to 15s. a week by shaving his shipnates for a permy or cutting their hair or twopence. Then, again, Jack is a andy man whentilt comes to making ancy articles, such as woollen shawls, hoto frames, models, etc. Generally, lowever, he gives most of these away o his relatives and friends, although te sells them now and again to his himmates, or visitors who come aboard.

v practiced in secret. Interest is usualy charged at the rate of 20 per cent. farmers an' so I set-it down in poetry in a kind o' keerless fashion, but they ow a sovereign from the "professional" | won't nobody believe it.) noneylender on his ship he pays 24s, for t. Perhaps at the end of that time he ase, of course, he pays 4s, interest. Intances have been known of sailors paying the interest on a sovereign for

Another reprehensible practice in Dr. C. R. Charteris, Chatham, read and false entry to the amount of authorities to stop it. A bookie will 85,000. He pleaded not pay a sailor 20 and sometimes 30 per A circular has been issued on be- aboard. Not only, however, does he half of an English interest, through lave to run the risk of being severly him, for, if discovered, he brings disredit on the whole mess, who are suspected of aiding and abetting.

He Could, Too.

When Sir William Gilbert was 27 and al, semi-medical book, entitled "Shirlev Hall Asylum," his first book. Not long ago Edith A. Brown, who was then preparing a biography of the vounger man, having heard that the son was the incentive from without which Last night the sun went pale to bed, spurred into action the inherent but dormant literary talent of the father, asked if such was the fact.

"Yes," replied the author of the "Bab Ballads," and the wittiest librettos ever written. "I think the little success which had attended my lumble efforts The distant hills are looking nigh. certainly influenced my father. "You see," he added, with suspicion
