Led From Start to Finish—Italian Beat Hayes' Olympic Marathon Time By Nearly Eleven Minutes.

New York, Nov. 27.—Dorando Pietri, of Italy, defeated John J. Hayes, of this city, in the renewal of the Marathon race at Madison Square Garden last night.

Ten thousand persons watched the contest, and while partizan feeling ran high, nothing more than good natured rivalry was the outcome.

At the tenth mile Dorando led by three feet, his time being 1.06 1-5. In the seventh lap of the eleventh mile Hayes passed the foreigner, but held his advantage for only half a lap.

During the next five miles Hayes printed by his opponent three times, but kept in front each time only for a few seconds.

Dorando's time was nearly eleven minutes faster than J. J. Hayes made when he won the Marathon race at Shepherd's Bush last summer.
