One medical man after another gave ny case up, until I had consulted five different doctors, and they were all baffled by my case. Then I went into hospital and was there five months, and came away very little better. The weakened that I had to walk with a tick and a crutch. This was my confition when first I began to use Zam-Puk. I applied it to the sores, and in a few days I thought I saw an improvement. I persevered with the balm, and, to cut a long story short, the wonderful balm did what all the doctors had failed to do-healed my ulcers. I have now put away my stick and crutch, the ulcers and sores are healed, and I take this opportunity of strongly advising all why suffer from sores, ulcers, or open wounds to give Zam-Buk a proper trial."

It is by affecting such impressive

cures as this that Zam-Buk has established Ats world-wide reputation. In every country to which it has been in troduced it has become the leading family balm and embrocation. This surely is proof of exceptional merit! Purely herbal in nature it supplie juries to which she or the children or the husband are liable.
