To Be Dyspeptic Is To Be Miserable.

Dyspepsia is the prevailing malady of civilized life. It is largely due to gross errors in diet, over-eating, too free indulgence in stimulants and over-taxing the stomach with indigestible food, eating too rapidly without chewing the food sufficiently, indulging in hot biscuits, pastry, pickles, confectionery, etc.

Constipation, headache, heartburn, sour stomach, distress after eating, belching of wind, faintness, and fullness and distention of the stomach are a few of the many distressing symptoms of the poor, weary dyspeptic. Burdock Blood Bitters regu-

lates the stomach, stimulates the secretion of the saliva and gastric juice to facilitate digestion, removes acidity, purifies the blood, and tones up the system to full health and vigor, and thereby cures dyspepsia and all its tributary diseases.

Mr. Amos Sawyer, Gold River, N.S., writes: "I was greatly troubled with dyspepsia, and after trying several doctors to no effect, I commenced taking Burdock Blood Bitters and I think it is the best medicine there is for that complaint."

AN INSURANCE CASE

AT GANANOQUE WON BY J. O. HUTTON.

A Minor Must Pay Note He Gave - A Farmer and His Son Injured by Dynamite Explosion - Ice Boating Club.

Gananoque, Dec. 7.-An ice boating club has been held with W. T. Sampson as president. A cup will be put up for competition and a series of weekly races held throughout the winter. Already several new ice boats are in course of construction, and this good old-time sport will be revived in earnest. Present indications promise that the possession of the handsome cup will be keenly contested for.

W. J. McPherson, Berrinton, had a thrilling experience during the past few days. While he and his son were engaged in blasting some rock on the farm, while tamping the charge, it exploded, hurling both men some distance, a piece of rock going through the peak of Mr. McPherson's cap. The eyes of both were filled with particles of sand and stone. Medical aid was summoned, but fortunately no bones were broken. Mr. McPherson, who was in town on Saturday on business, considers their escape as miraculous.

In the police court on Saturday afternoon the adjourned case against W. Gray, for being intoxicated upon the prescribed list, came up before Magistrate Carroll and was dismissed as the order by which he was placed on the list could not be enforced as that section of the law had been repealed some months ago, and a more strenuous section substituted. He was, however, placed again on the list. William Dempster, charged with drunkenness, having left the town in search of work, his father pleaded drunk, failed to answer to his name and the case was tried in absentia. The evidence of the local police showing that he was much addicted to over-indulgence of this appetite and that his family were in need of the money thus spent, a fine of \$2 and costs was imposed, payable forthwith, and in default fifteen days in the county jail.

The many friends of Archibald Byers, of Montreal, son of the late William Byers, Gananoque's first mayor, learn with pleasure of his recent marriage to Miss Marian Taber, of East Farnham, Que. An important decision has lately been given out by Judge Reynolds, of Brockville, before the divisional court here, J. O. Hutton, a well-known Kingstonian, district inspector of the Canada Life Insurance Co., brought action against a young cheese maker of this section for the amount of a promissory note given as first payment. Defendant was eighteen years of age at the time of giving note, and repudiated the claim on the grounds that if his financial position did not warrant its payment no action would be taken. He also pleaded infancy, he being under twenty-one years of age, and that by a loss of \$120 through a cut on cheese which he made he was unable to pay the note.

His honor found against defendant on the facts, but reserved judgment on the question of law. After due consideration he has handed out his decision in favor of the plaintiff, with costs. The decision is an important one as there are thousands of similar notes given by minors for insurance throughout the province. Miss Norma Hughes, Kingston, who is the guest of Miss Bessie O'Neill, Main street, sang very sweetly in Grace church yesterday. At the morning service, "If I But a Stranger Here" and in the evening "Book of Ages." This was Miss Hughes' first appearance before a congregation here and she was well received.

D.D.G.M. Langmuir paid an official visit to Gananoque lodge, No. 247, A.O.U.W., on Thursday evening. Following the session an oyster supper was served in honor of the visitor. Mr. and Mrs. W. T. Sampson, Arthur Street, are spending a short time in Montreal.

A Dangerous Place. Youth's Companion. Old Aunt Hepsy Garside never had seen a moving picture show before. She danced in speeches under the magic contrivance by which messenger boys were made to move with breakneck speed, barbers to shave their customers in less than a minute and heavy policemen to dash along the street at a rate never attained by a living specimen, either on or off duty. "It was all real to her. She could not doubt the evidence of her senses. All those things were taking place exactly as depicted.

Presently an automobile came in sight in the far background, moving directly toward the audience at the rate of at least a mile a minute. Just as catastrophe seemed inevitable it swerved aside, passed on and disappeared. "Aunt Hepsy could stand it no longer. Hastily grasping the hand of her little niece she rose and started swiftly for the door.

"Come along, Minerva!" she said. "It ain't safe to stay here any longer! That thing didn't miss me more than two feet!"
