"The Richest Woman
In the World"

(MRS. HETTY GREEN)

Who has made \$60,000,000
by shrewd investments, says:

"I regard real estate invest-
ments as the safest means of
using idle money. Let a man or
woman watch and see in which
direction a city is going to de-
velop, and buy there. Invest in
railroads or real estate."

We Have the
Real Estate to Sell

and we have the choice
pieces at that. These
are safe and sane invest-
ments, and will yield
good returns.
