TO AID REVOLUTIONISTS.

The Hague, Dec. 21.-That the Dutch fleet off the Venezuelan coast stands ready to aid the Venezuelan promises success, is the unqualified announcement that comes from the foreign office. Holland is desirous of ending the Castro reign as soon as possible and her force in the Caribbean sea will go to any extreme to aid the revolutionists in overthrowing the government. If Venezuela has actually declared war against Holland, of which that government has it is reported, will force Venezuela to pay her a war indemnity. .
