DEATH IN GANANOQUE

OF JAMES CORNETT, AGED EIGHTY-SIX.

A Boy Had His Eye Badly Injured —Row Between Two Women— An Indian Charged a Man With Enticing Him to Drink.

Gananoque, Dec. 21.—Another of Gananoque's old residents passed away yesterday morning at his residence, Garden street, in the person of James Cornett, well and favorably known throughout this section. Deceased was eighty-five years and eight months old, and has been in feeble health for several months past. Mrs. Cornett predeceased him several years ago. He leaves two sons, Thomas M. Cornett, Church street and James Cornett, of Colborne, and two daughters, Mrs. Richardson, matron of the asylum for the insane in London, Ont., and Miss F. Cornett at home. The funeral will be held from his late residence on Tuesday afternoon.

Cattle buyers from the west have been buying up a large number of Holsteins, from the cattle breeders of this section during the past week, some ten carloads having been shipped to the vicinity of London.

A serious mix-up occurred on Thursday evening last on Charles street, when two married women of the town got into a wrangle, and finished up with their fists. The participants are sisters-in-law, and there has been ill-feeling between them for some time past. The case came up before Police Magistrate Carroll, on Friday, when Minnie Jeroy charged Nellie Bishop with using grossly insulting language to her, and assaulting her with her fists. In the evidence it was proved that outsiders had to separate the pair. The magistrate taxed Mrs. Bishop, as the aggressor, two dollars and costs.

Information has been laid before Police Magistrate Carroll by David Greenizen, of Leeds township, residing a few miles, west of the town, against John Clarke, of the same section, charging him with coming to his Greenizen's house and trying to get him to drink, Greenizen being on the prohibited list. Being refused admission he deliberately broke several windows in the house. The case will be aired in the police court during the fore part of this week.

Mr. Wormwith of Kingston, late proprietor of the Kingston Piano factory which was recently destroyed by fire, was in town the latter part of the week, looking over the old Canada Cabinet Co.'s factory, with a view to the probability of locating a piano manufactory here in the near future.

The Star Bachelor hockey team went to Lansdowne on Saturday afternoon for its first game of the season, and met the Wanderers of that village in a friendly game in A. E. Haffin's new covered rink, the Arena, on Saturday evening. The game resulted in a tie, each team scoring seven goals.

The local bowlers are getting into line again for the winter, several matches having been pulled off between rival aggregations during the past week. A number of the ladies of the town are also participating in this healthy and muscle-developing pastime.

The many friends of Hugh Wilson, who has been for several weeks past in Toronto General Hospital, will learn with pleasure that he is progressing rapidly towards recovery and Mrs. Wilson, who has been with him is expected home for Christmas.

Miss Florence Taylor, attending Havergal College, Toronto, for some months past, is here for her holidays with her mother, Mrs. C. W. Taylor, Church street. Douglas Byers, Princess street, was taken to Brockville General Hospital, during the past few days and operated on for appendicitis.

Sublime Impudence.

Reminiscences of Lady Churchill.

A delightful man who came to stay at Blenheim was Sir Alexander Cockburn, Lord Chief Justice of England. But he was dangerous! One day out shooting, while I was walking with him from one covert to another, he let his gun off by accident. Luckily the shot went over my head. "I must be careful," he said placidly. I fled.

I remember asking him what had been the most amusing experience of his legal career. In reply he told me the story of a young barrister, who came into court late, having evidently from his appearance, dined well but not wisely, the night before. Sir Alexander reprimanded him, asking what excuse he could offer, "None," retorted the culprit, 'unless it is that I had the honor of dining with your lordship last night, and bad wine tells on an empty stomach."

More Pudding.

Cleveland Plain Dealer.

It is said that when Macaulay, a boy of six was asked to have some more pudding, he politely replied. "Thank you, I have enjoyed an ample sufficiency."

This sage reply is matched by a little Cleveland girl who, when offered a second frosted cake, showed her excellent training by answering. "Mamma has directed me to always refrain from taking a second piece of anything."

It is gratifying to know, however, that the childish nature promptly reasserted itself, when the little maid added:

"But you can lay it on my plate, if you please."

RIFLE RANGE COMPLETE.

Formally Taken Over By Military Board.

This morning a military board, consisting of Lieut.-Col. Hemming, C.S.O., president, Major DeRoche (Ottawa), and Capt. Bell, Kingston, assembled and formally took over the new rifle range on Barriefield Heights from the contractor, William Lacey, of Prescott. The range is one of the finest in Canada, having eighteen targets. The range, including butts and land, will cost about $20,000. Of this amount the building contractor got between $12,000 and $13,000.

Kingston has long been in need of a rifle range, the old butts at Barriefield being unsafe for some years. Now that the new range is ready for practice interest in rifle shooting by the 14th regiment members will increase, and Kingston will turn out some more crack marksmen of the type of White, Swaine and Hora.

"I'll get you out of it," said that astute person. "Tell him that I refuse and that I have exclusive rights to your photographs."

"But why," the manager asked Mark Hambourg afterwards, "couldn't you refuse on your own account?"

"How did I know, he might not pooch me?" the musician demanded.
