WORTH TRYING THERE.

of Ald. Couper's candidature. The Hamilton paper which endorses political interference in the municipal elections had only one strong plea to offer in support of its action. It was that organization was necessary in order to bring out the vote, and unfortunately, when the politicians ran their machine they want the usual pay for the lubricants, namely the pa-

Brockville, some years ago, suffered very much from the excess of partizanship in local affairs. It is possible to have too much of this kind of thing, and the time came when the Brockville people, irrespective of party, cried, "Hold! enough." The expedient John Hoodless, an ex-chairman, says was happily adopted of letting the there should be at least five women "Fingy" Conners is an irrepressible parties nominate an equal number on the Hamilton school board. The soul. Tact and he had nothing with an alternate choice of mayor, boom is on. The day of women The experiment has been a great suc- gislators appears to be at hand.

This year the old troublers, the men who want politics in eperything, even their religion, became conspicuous. They wanted to return to the old conditions-to , the wretchedness and squalor of degraded politics. The proposal was very quickly squelched. The independents met, as usual, and made their nominations, and peace and quietness and business capacity will characterize the conduct of municipal business in Brockville next year.
