WANT TARIFF CHANGE

Cut the Duty on Coal

Canada Agrees. Spokane, Wash., Dec. 29.—Commercial organizations throughout the in land empire and the northwest will be invited to join the chamber of commerce and the 150,000 club of Spokane in a memorial to the tariff revision committee and the Washington, Oregon, Idaho, Montana and Utah delegations in congress asking for the removal of tariff on coal. This means that a short ton will be fifty cents cheaper than at present, thus saving thousands of dollars a year to manufacturing concerns, steam plants, office and hotel buildings and householders in districts depending upon the mines in British Columbia for their fuel supply. If the reduced tariff is adopted it will be in the nature of a recipro- Orders Issued By the Railway cal measure with Canada.
