Has Resided in Kingston All His Life-A Leading Lodge and Career.

ALD. D. A. GIVENS. Ald. D. A. Givens is a native Kingston and has resided here nearly all his lile. At the age of fifteen owing to losses sustained by his father, he was forced to leave school and make his own way in the world. By the hardest kind of work he put himself through Queen's university, graduating at the head of his year and winning the Prince of Wales prize, at that time the highest honor given to any student. Then he was asked to take a position in the Kingston Collegiate Institute, where he taught until able to undertake the study of law in the offices of Britton & Whiting, Kingston, and McCarthy, Osler, & Co., of Toronto. After a creditable law course he opened an office in Kingston but was soon obliged by ill health to go to California, where he spent eight years. He returned to Kingston ten years ago and for five years has been a popular choice for alderman for St. Lawrence ward. Before leaving for California he was alderman for Rideau ward, which his grandfather, David Alexander, also represented in the city council nearly sixty years ago. He has been on nearly all the prominent committees of council and has been this year \$1.50. chairman of the light, heat and power committee. He was also a member of the board of education for a number of years. He has been prominently identified with fraternal societies, having been noble grand Granite lodge of Oddfellows and exalted ruler of the order of Elks. He is now the worshipful master of St John's Masonic lodge. He was also first secretary of the Frontenac
