What Was the Secret ?- Intimacy Between Clergyman and Browning Not Explained-All a Mystery.

Detroit, Mich., Jan. 9.—Coroner. Falk has expressed his opinion that strong acid had been used on the body found in the stove in the little Methodist Episcopal church at Rattue cun, where the murder was commit ted, apparently after a terrific battle. The acid, he believes, was used after investigation by the police prosecutor from Owen Sound, Ont., was arrested the body had been dismembered and and medical men, the authorities are at Las Animos, Colorado, on Wednes. placed in the stove.

"I do not believe that a wood fire perpetrator of the murder in the little A woman, named Smith, who travelcomposed the parts of the lody," said the coroner. "This is indicated Aaron Gideon Browning, a carpenter city, having been arrested some weeks in the condition of the bones." If acid was used it strengthens the ed.
