"Maori" Browne Instead of Blacking Boots Marries Girl Whose Sweetheart He Once Saved.

London, Jan. 13.—Colonel G. Hamilton ("Maori") Browne, was married at St. John's church, Hackney, last week, to Miss Sarah Wallis Wilkerson, a lady of wealth and old family. "Maori" Browne, after serving his country for forty years in New Zealand and Zululand, found himself stranded and penniless in London three months ago. He applied to the Salvation Army and through a London paper offered to black boots for a living. Miss Wallis Wilkerson, of the Beeches, Melbourn, near Cambridge, saw this appeal, and discovered that Colonel Hamilton Browne had long ago saved the life of her sweetheart, who was afterwards killed in the Sudan. A meeting was arranged and the lady found that Colonel Browne's name was again and again mentioned in the bundle of old letters she treasured and the friendship thus romantically begun led to the wedding. Colonel Browne, spruce and alert in a dark lounge suit, walked to the church, with Miss Wallis Wilkerson, who has been staying at Brighton for the three weeks of the publication of the banns. The bride wore a brown costume with pink hat. At the close of the ceremony, Colonel and Mrs. "Maori" Browne walked away arm-in-arm. As they left the church an official of the Salvation Army raised his blue and scarlet cap and cried, "A happy New Year to you both—and continued good luck." They left for Brighton, where the honeymoon will be spent, and they will then take up their residence in Pembury road, Clapton.

Laughter, Digestion And Health

An eminent Russian physician has stated his opinion that laughter is one of the best means known to cause, reasons and origins of Dyspepsia, stomach and nervous diseases. Laughter, however, in a dyspeptic is like the memory of running brooks and shady glens to the famishing and dying man, cost the digest. If one could but know all the causes, reasons and origins of Dyspepsia, one would not wonder at a half-heartedness of a dyspeptic's gaiety. There is a ceaseless call for appetite, food and enjoyment to a dyspeptic, coupled with a morose mood and knowledge that such a call is mockery and if indulged in will bring discomfort, pain and regret. Perhaps if it were understood that the digestive system, including mouth, throat and alimentary canal, embracing as it does the stomach, is composed of millions of small nerves, which control added millions of little mouths or suckers. Perhaps if this were known men could more comprehensibly understand that to disarrange such a system would mean indeed intense physical pain and discomfort, and suppose such a canal filled with the fumes and foul odors that decayed food from the last meal, and one has a slight idea as to the lack of laughter of a dyspeptic. Stuart's Dyspepsia Tablets composed of the highest digestive ingredients—one grain of a single ingredient being capable of digesting 3,000 grains of food—relieves the alimentary canal of its morose duties, assists it along its entire length (30 feet) to perform its routine, imparts strength and buoyancy to the stomach and gives back to the blood a strong, healthy nourishment. Stuart's Dyspepsia Tablets are nature's adjuncts to digestion. They do not falsify stimulate an already weakened machine, but build up where building is needed and remove where removal is necessary. Stuart's Dyspepsia Tablets have nothing to conceal. Here is what they are made of: Hydrocarbons, golden seal, lactose and aseptic pepton. Forty thousand physicians in America and Canada use and prescribe them. They should be used after every hearty meal whether one is a dyspeptic or not. Every druggist carries them; price 50¢. Send your name and address and we will send you a sample package free. Address: F. A. Stuart Co., 150 Stuart Building, Marshall, Mich.

TOWN OF GANANOQUE.

Provincial Hotel Reverts to Montreal Legates. Gananoque, Jan. 13.—The funeral of the late John F. Cheevers, who met death by choking on Sunday last, while eating his dinner, took place yesterday afternoon from the residence of Mrs. McLaughlin, Stone street, to Willow Bank cemetery. Deceased was in his sixty-third year and had been rather feeble for some time past. By the will of his father the Provincial hotel was in his keeping during his life and on his death reverts to the Messrs. Greig, of Montreal. One of the pleasing features in connection with the installation ceremony and banquet of Gananoque lodge, No. 114, I.O.O.F., on Monday evening, was the presentation of veteran jewels to George Taylor, M. P., and W. B. Carroll, K.C., for membership in the order for more than a quarter of a century. The ladies' aid society of Grace Methodist church held a social last evening at the residence of Mrs. Jacob De Witta, Stone street. A good programme was rendered and was followed by refreshments. Proceeds are to be devoted to charitable purposes. Messrs. George Scott, King street, and John Scott, North street, left today for Cobalt, where they purpose locating. The opening game in the schedule of the St. Lawrence hockey league was played last evening at the Maple Leaf rink between the Tigers and St. Lawrence team. The game resulted in a win for the Tigers by four goals to one.

RIGHT TO LYNCH NEGRO.

United States Loses Its Case Against Robert Powell. Washington, Jan. 13.—The case of the United States vs. Robert Powell, involving the question whether the fourteenth amendment can be invoked in the United States courts to protect negroes against lynching, was decided by the supreme court of the United States in favor of Powell, a writ of error, bringing the case from the United States circuit court for the northern district of Alabama. Powell is under indictment on the charge of assisting a mob in the hanging of a negro named Horace Maples, of Huntsville, Ala., the specific charge being that as a member of the lynching party Powell had deprived Maples of the right to a trial by due process of law. The circuit court held that the fourteenth amendment was not applicable to the case, and declared that it could not be invoked unless the injustice complained of was inflicted by the state or its authorities. The supreme court's decision affirmed the decision of the lower tribunal.

Cape Vincent Fair.

Cape Vincent, Jan. 11.—The annual meeting of the Cape Vincent Agricultural society was held at Jerome's Hotel. Reports of the secretary and treasurer were rendered, the former showing 182 living stock holders and the latter showing a good balance from the exhibition held last fall. The following officers were elected: James O'Neil, president; M. J. Fitzgerald, first vice-president; Louis Radley, second vice-president; C. B. Wood, treasurer; Frank Duzongremel, secretary. The Cape fair is the only town fair in Jefferson county, all others having gone to the wall.

The Saskatchewan legislature passed a resolution calling for the appointment of a royal commission of judges to investigate Mr. Haultain's charges against Mr. Calder, commissioner of education, in connection with the school book contract.

SOUL KISS.

Husband Saw It From Stairs and Got Divorced. San Francisco, Cal., Jan. 13.—Constructor Holden A. Evans, of the navy, made speedier time in securing a divorce than he did recently in completing the big collier Prometheus at the Mare Island navy yard. It was just sixteen minutes after the proceedings were begun at Solano when a divorce and the custody of his three young girls was granted to Evans. It is only five days since the first public intimation was given of trouble in the Evans family, due to Lieut. Osborne's kiss to Mrs. Evans on Christmas day. Assistant Naval Constructor Sidney M. Henry was the only witness, and his testimony dealt entirely with the soul kiss, which he witnessed with the husband, from the head of the stairs in the Evans house. Evans is in the hospital at Mare Island, suffering from an affection of the hand, for which an operation will be necessary.

KIDNEY DISEASE COMES ON QUIETLY.

Perhaps no other organs work harder than the kidneys to preserve the general health of the body and most people are troubled with some kind of Kidney Complaint, but do not suspect it. It may have been in the system for some time. There may have been backaches, swelling of the feet and ankles, discharges of the urinary organs, such as brick dust deposit in the urine, highly colored scanty or cloudy urine, bladder pains, frequent or suppressed urination, burning sensation when urinating, etc. Do not neglect any of these symptoms, for, if neglected they will eventually lead to Bright's Disease, Dropsy and Diabetes. On the first sign of anything wrong Doan's Kidney Pills should be taken. They go to the seat of trouble, strengthen the kidneys and help them to filter the blood properly and flush off all the impurities which cause kidney trouble. Miss Alberta B. Clarke, Stony Creek, Ont., writes: "I was troubled with kidney trouble for several years; my back was weak, I had such terrible headaches, and was so restless I could not sleep at night and tried everything without any benefit. A friend advised me to try Doan's Kidney Pills, so I got four boxes and they completely cured me. I now feel as well as I ever did and would advise everyone suffering from Kidney Disease to try them." Price 50 cts. per box, or 3 for \$1.25, all dealers or The S. Milburn Co., Limited, Toronto, Ont. When ordering specify "Doan's."
