

MOTHER BELIEVES IN PERUNA.

Mrs. K. Kane, of Chicago, Uses Pe-ru-na in her family of five children, Grace, Myrtle, Edward, Reeves and George.

A HEALTHY FAMILY

Kept the Children Well.

Mrs. K. Kane, 196 Sebor St., Flat 1, Chicago, Ill., writes: "Peruna has been used so long in our family that I do not know how I could get along without it. I have given it to all of my five children at different times when they suffered with croup, colds and the many ailments that children are subject to, and am pleased to say that it has kept them in splendid health. I have also used it for a catarrhal difficulty of long standing, and it cured me in a short time, so I have every reason to praise Peruna."

MYRTLE

Catarrhal Croup. Few people realize how frequently croup is caused by catarrhal croup of the throat. Probably nine cases out of ten of croup is of the catarrhal variety. The medical profession recognizes three forms of croup. The spasmodic variety, membranous croup and catarrhal croup.

Nearly every case of the catarrhal variety, and a few doses of Peruna taken at the first appearance of the catarrhal symptoms is generally sufficient to avert the attack of croup altogether.

Croup is a frightful disease. No disease of children so alarms the household.

It is impossible to estimate how many homes have been protected against croup by the proper use of Peruna.

Household Remedies. There is no remedy in the world which has proven so popular for catarrhal croup as Peruna. It has been used for more than thirty years and cured thousands of cases, as proven by our testimonials.

In the early history of this country every family had its home-made medicines. Herbs, bitters, laxatives and tonics were to be found in almost every house, compounded by the housewife,

sometimes assisted by the apothecary or the family doctor.

Furnishing medical compounds direct to the people, through the druggists, is simply the extension of the practice begun by the people themselves.

Nervous System a Wreck. John G. Hilder, Garfield, Kan., writes: "On December 2, 1899, I was injured by a fall on the Santa Fe R.R., and my entire nervous system was impaired. Herbs, bitters, laxatives and tonics were to be found in almost every house, compounded by the housewife,

FATHER AND CHILD.

MR. J. M. STANSBERRY AND DAUGHTER

Catarrh of Stomach.

Mr. John M. Stansberry, Amarillo, Tex., writes: "For several years I had catarrh of the stomach. I was hardly able to do anything, and could not eat with any satisfaction. When I commenced using Peruna, I weighed only 110 pounds. I took six bottles, commencing in the spring, and by the following winter I had gained 63 pounds. I owe it all to Peruna. It cannot be praised too highly. I am forty-five years old, and my occupation is that of architect and builder."

remained without strength.

"I then tried Peruna, and after using it for three months was totally well. I am seventy-one years old, and my work on the railroad is hard and tedious, but I can work like a young man in all kinds of weather, heat, cold, rain, snow or storm alike. Peruna is the purest and best medicine, and if used according to directions, it will help any person and cure any disease for which it is recommended. I recommend this medicine by my own experience to any one suffering from an ailment on the order of mine."

For Himself and Children. Mrs. Aline DePasse, 774 E. 165th St., New York, N.Y., writes: "It gives me pleasure to testify to the curative qualities of Peruna and Manalin."

"I was afflicted for over seven years with catarrh of the head, throat and digestive organs. I consulted many physicians, but they did me no good. One day I happened to read some testimonials in your Peruna almanac. I decided to try Peruna and Manalin. I bought a bottle of each and after taking them for a week, I noticed a change for the better. So I kept it up and after using twelve bottles I was perfectly cured. I also gave the medicine to my children and they had the same beneficial result. I would never be without these remedies in the house."

"I highly recommend Peruna and Manalin to all my friends, and, in fact, to everybody." Thousands of families have learned to trust and believe in Dr. Hartman's judgment, and to rely on his remedy, **Peru-na**.

LONGS TO SEE.
Millionaire Would Give Up All For Eyesight.

Mooseton, Mich., Jan. 16.—Charles Moore Hackley, the young Muskogean multi-millionaire, who went "stone blind" last summer while exploding dynamite cartridges used for blasting stamps, to-day offered \$50,000 for the return of his eyesight. Hackley also said he would gladly give up his \$2,000,000 and go to work as a common laborer, if he could see again. He has consulted the most eminent oculists of Europe in a vain endeavor to recover his sight.
