HOKEY RESULTS Queen's Seniors Defeated McGill in Montreal.

In the senior intercollegiate hockey match on Friday evening, Queen's defeated McGill by 12 goals to 4. At half time, Queen's led by 3 to 3. Of the goals, Dobson scored four; Crawford and Campbell each three and Pennock and George each one. The intermediate match between Queen's II and McGill II was won by McGill by 9 to 6. At half time, Queen's was ahead by 3 to 2. The return game will be played here on the 26th.

Posties Beat Hardwares. An interesting game of hockey was played, last evening, on Zion rink, between the Post Office Stickers and the Hardwares. The former won by one goal to nothing. Either "Eddie" Hiseck or "Joe" Daley scored the goal. In the first half, but neither could tell who was to blame, as both sticks swiped the puck at the same moment. The lady clerks in the post office were present and rooted for their favorites. The teams were: Post Office—Goal, Donnelly; point, Wilkinson; cover-point, Porter; rover, Daley; centre, Hiseck; right wing, McCullough; left wing, Scott. Hardwares—Goal, Bennett; point, Carson; cover-point, Simmons; rover, Horsey; centre, Crawford; right wing, Robinson; left wing, Stratford.

Collegiate Victorious. Queen's III got a bad beating from the Collegiate Institute hockey team, last evening, in the junior intercollegiate series. The collegiates won by 8 to 1. Half time score, 7 to 0. The ice was very soft.

Miss Dalton Won. The rinks of Mrs. R. J. Hooper and Miss Mabel Dalton played at Rockwood, on Friday afternoon, in the hospital consolation semi-final. Miss Dalton's rink won, and will play the winner of the Montreal-Lachine semi-final when the Kingston rinks attend the Montreal Ladies' Curling Club bonspiel in Montreal next week.

Admiration For Shrub. Bulletins of the Longboat-Shrubby race in New York were read out at several places in the city, last night, chiefly at the Iroquois hotel, Club hotel and Grand Opera House, and were heard by interested crowds. Even when Longboat was three-quarters of a mile behind Shrubby at the nineteenth mile, the fans did not lose hope in the Indian pulling out a victory. Shrubby must soon collapse, it was felt, after going at such a killing pace as he travelled for twenty miles. And when the collapse did come there was only admiration felt for the magnificent race run by the plucky little runner from England, even though he had failed to conquer the invincible Indian, who plodded doggedly ahead and gradually lessened the gap between him and his little rival.

Sporting Notes. Canadian skaters made a splendid showing at Saranac Lake meet. The Canadian curlers won a four rink match at Crossyloof against the players of Perth and Dundee provinces. The score was 77 to 51. The Armprior ladies' hockey team would like to arrange games with other ladies' teams in the Ottawa Valley or elsewhere. Address, Miss Belle Tait, Armprior.

The Brantford Hockey Professionals are not satisfied with Gorrie and Mende, and have made an offer to "Boss" Hutton, of Ottawa, to go between the nets. At Savannah, Ga., Frederick Simpson, the Canadian Indian who is ambitious to wrest the laurels from Longboat, Shrubby, et al., lowered the American outdoor record for fifteen miles. He ran over a part of the Grand Prix automobile course. Time, 1:27.2 4/5. "Cy" Young is now forty-two years old, and he has been playing professional ball for nineteen years. His first professional engagement was at Canton, Ohio, Tri-State League, in 1890. He won the first game he pitched for Cleveland, defeating Chicago. He was with Cleveland, 1890-1898; St. Louis, 1899-1900; Boston, 1901-1909. He has won 489 games and lost 282. Toronto Telegram: T.A.A.C. surprised not only themselves, but their admirers, at the game they put up last night against Major Cunningham's team, the gallant "Fighting 14th," as they are referred to in the smart circles of Kingston, Ont. The visitors were clearly at sea upon such small ice, which differed from T.A.A.C. who were right at the home-stand. However, had the 14th had playing six against the ice in place of the result possibly might have been different. It happened thusly. At one stage of the game Cosgrave was hurt, and to even up a 14th man went off with him. Cosgrave, however, returned before his opponent and scored the winning goal, the visitors being a man short. The same thing happened in the case of McGillien, who returned to the fray, leaving a 14th player behind him.
