AT GRAND LAST NIGHT "QUEEN ZENORA" GIVEN BY LOCAL TALENT.

Kingstonians Make Most Creditable Showing in Production Under Direction of O. F. Telgmann—A List of All Taking Part in the Play. A production put on entirely by local talent was the treat given theatregoers at the Grand last night, when "Queen Zenora," under the direction of O. F. Telgmann, was put on for the first time, and the Kingstonians made a most creditable showing.

In the second act, the city fathers set out after the enemy, and a big tank is erected to hold the prisoners. The enemies (Doctors Vaccine, Toxine and Nerviline) are finally landed in the nets, and thus peace is once more restored in Zenora. A very pretty closing to the production, is the chorus, "Love, Love, and Pretty Flowers."

The part of Queen Zenora is ably taken by Phyllis M. Welch, and that of Prince Daniel is given a most capable portrayal by W. E. Manhard. All the other parts were well taken, the singing of Miss Norma Hughes being a special feature.

Princess Daniel, ruler of the civic band, W. E. Manhard; Cholly Jock, the council's exquisite, W. Mack; Chauncey Dave, student familiar with the poets, S. Burns; The Kent Major, the council's war horse, A. Goudreau; Patrolman Bob, one of the finest, R. Day; Billy Clugston, sailor Tackabout, H. Mellingham; Doc. McMaster; Wagner Von Chown, the queen's Prof. of German, E. Davis; Indian Chief Jack, a Canadian horse judge, F. Birch; McKay Furandskins, an Eskimo fur dealer, V. Percival; Medicine Frank, who believes in the good old way, A. Lemmon; a Student from the North, H. Angrove; Toy Sing, a Chinaman, J. Hoppes; Billy Carnickie, street car conductor, R. Maguire; Honest John, knows how to take a man's measure, Leo Singleton; Mack Tank, Frank's great tank builders, E. Walker, H. Frey; Vaccine Toxine, Nerviline, doctors, leaders of the enemy, R. Military Sextette—Jessie Reed, Vera Henderson, May Bennet, Norma O'Connell. Is Your Scalp Itchy? Multitudes of minute creatures infest the skin and excite inflammation. It is not a question of cleanliness, for soap and water are powerless to reach the creatures. Dr. Hamilton's Ointment is death to them.

DISCRIMINATING LADIES. Enjoy Using Herpicide on Account of Its Distinctiveness. The ladies who have used Newbro's Herpicide speak of it in the highest terms, for its quick effect in cleansing the scalp of dandruff and also for its excellence as a general hair-dressing. It makes the scalp feel fresh and it always that itching which dandruff will cause. Newbro's Herpicide effectively cures dandruff, as it destroys the germ that causes it. The same germ causes hair to fall out, and later baldness; in killing it Herpicide stops falling hair and prevents baldness. It is also an ideal hair dressing, for it lends an aristocratic charm to the hair that is quite distinctive. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich. Two sizes, 50c. and \$1.00. G. W. Mabood, special agent.

They Want the Money. (Continued from Page 1). That notification of the matters herein contained be given to Mr. Campbell by forwarding him a copy of the report of your committee as adopted by council.

Reports, By-Laws, Motions. All the reports of the committees passed with practically no discussion. The waterworks report, recommending the increase of Superintendent Hewitt's salary by \$150, and Engineer Taylor's by \$50, was unanimously adopted. Mayor Couper called Ald. Angrove's attention to the fact that the city property committee had failed to put up a clock in the council chamber. Ald. Angrove replied that his committee would include the cost of a clock in its estimates, and he hoped that the mayor's finance committee would see that the money was supplied.
