ACCUSED OF LIBEL.

Pulitzer and Staff of World to Be Arrested.

Washington, Feb. 18.—Bench warrants were issued, yesterday, by Chief Justice Claubaugh, in the supreme court of the district of Columbia, for the arrest and transportation to Washington of Joseph Pulitzer, editor of the New York World; Caleb M. Van Hamm and Robert K. Lyman, of the World, and Delavan Smith and Charles R. Williams, of the Indianapolis News. The warrants follow swiftly the return of indictments for criminal libel against the men named by the federal grand jury, the alleged libel being contained in articles concerning the purchase of the Panama canal rights by the United States.

ARSENIC IS FOUND

IN STOMACHS OF FOUR DEAD CHILDREN.

Mrs. Mary Kelliher, Mother, in Whose Family Seven Deaths of Insured Persons Occurred, is in Jail.

Cambridge, Mass., Feb. 18.—It was learned definitely, last night, that arsenic has been found in the stomachs of four of the children of Mrs. Mary Kelliher, of Somerville, in whose family seven deaths of insured persons occurred within the past few years. Mrs. Kelliher has been an inmate of the East Cambridge jail for several months, charged with setting fire to a dwelling house where she was employed as a domestic.

The Harvard medical school chemists, who some time ago reported that they found traces of arsenic in the stomach of Catherine Kelliher, the twelve-year-old daughter of the prisoner, have submitted reports to the Middlesex county authorities stating that the analysis disclosed the same poison in the stomachs of William, Mary and Annie Kelliher, whose bodies were examined last month. The evidence will be submitted to the grand jury.

A Murder And Suicide.

Reading, Pa., Feb. 18.—What the police term a murder and suicide, took place, yesterday, when the bodies of Miss Stella Rocktashel, prominent socially, and George Knaut, an inspector of the local telephone company, were found in a texicab by persons attracted by revolver shots. The woman was lying in the bottom of the cab with a bullet through her brain, while the man, in whose hand was clutched a still warm revolver, had a bullet through the heart. VICTIMS RECOVERED

FROM THE DRINKING OF POISONED COFFEE.

A Woman Suspected of the Deed, and She May Be Arrested—Strychnine Was the Poison.

Montreal, Feb. 18.—The four men who narrowly escaped death by poisoning as a result of drinking coffee in a Cathedral street beancry, yesterday, but were rushed to the general hospital in time to save their lives, have all left the hospital, having sufficiently recovered to go down to police headquarters and tell the authorities what they knew about the matter.

That an arrest on a charge of murdering the only victim, Thomas Green, will be made within a few hours is very probable. The suspect is a woman who has so far been aiding the police, but is believed to be the one who put the strychnine in the coffee. Another woman was at first suspected, but suspicion has veered around to another.

THORNLOE HAS MOST.

Balloting For Bishop For Toronto Diocese.

Toronto, Feb. 18.—A special meeting of the Anglican synod of Toronto again failed, this morning, to elect a bishop for the diocese in succession to the late Archbishop Sweatman, though at the only ballot taken, this morning, further evidences were given of gains in strength by Bishop Thornloe, of Algoma. The ballot showed a gain of three clerical votes, and a loss of one lay vote for Bishop Thornloe and for Canon Cody, so far the bishop's only real competitor, a loss of one clerical and three lay votes. Another ballot will be taken this afternoon:

This morning's vote was as follows: Bishop Thornloe, 112 clerical and 50 lay votes; Canon Cody, 59 and 62 respectively. Revt. Canon Sweeney and Rev. Canon Tucker each received two clerical votes.

Gas Has Been Found.

St. Catharines, Ont., Feb. 18.—The Kinleith Paper company, which has been boring on its land along the old canal bank, for purer water than that obtained in the canal, have struck natural gas at a depth of 200 feet. This is the first time gas has been struck in or near St. Catharines and there seems to be a goodly quantity in sight.
