

THE SPORT REVIEW
QUEEN'S MEET VARSITY IN TORONTO

On Saturday Night and Figure on Winning—Arrangements Not Yet Made For 14th and T.A.A.C. Playing Off Likely Tie.

Queen's hockey excursion to Toronto leaves on Saturday morning at 8:30 o'clock by special G.T.R. train. The seniors will meet Varsity at the Mutual street rink on Saturday night in their last away-from-home game of season. Queen's have not been defeated yet and hope to pull out over Varsity. The players are all in fine condition and have been practising faithfully since their last game. Queen's will line up as follows: Goal, J. G. Macdonell; point, P. Macdonell; cover, George; rover, Crawford; centre, Dobson; right wing, Campbell; left wing, A. large number are expected to accompany the team.

Crawford, Queen's Centre. Vernon Crawford, the sturdy centre of Queen's senior hockey team, became known to the hockey-loving public about seven years ago, when he played centre with St. George's "A," a church club team that captured the Flanagan trophy in 1902. Crawford played with this team for two seasons, and when he entered college at once secured a place on the senior team that he has held ever since. The first year "Buck"

VERNON CRAWFORD

played senior hockey. "Marty" Walsh, George Richardson, "Jimmy" Macdonell, "Dick" Mills, and other well-known Queen's favorites were in their prime.

Crawford is well known as one of the best centres in the Intercollegiate Union and one of the best little full-backs and half-backs that ever wore the tri-color on the football field. He plays a fast, heady game of hockey all the time, and his work has saved Queen's many a time when they were in a tight corner.

City Hockey League.

Group "A" of the junior series is finished and Regiopols II are champions. They will play off for the W. Gibson trophy, with the winners of group "B." The following is the standing of the teams:

Table with 4 columns: Team, Won, Lost, Tied, Points. Rows include Regiopols, Kingston B.C., and Collegiates.

Regiopols II played a tie game with Kingston Business College on Zion rink, Thursday afternoon. The game ended four goals all. The teams lined up as follows:

Regiopols II—Hanley, goal; Folger, point; Yellowfoot, cover; Hunt, rover; Millan, centre; George, left wing; Somerville, right wing; Business College (I)—Smith, goal;

Norris, point; Duffy, cover; Nelson, rover; Slatts, centre; Welch, left wing; Forrester, right wing; Referee—H. Nicholson.

Collegiates Win Out.

At Royal rink on Thursday afternoon, the Collegiate team defeated Regiopols I, 5 goals to 2. The teams lined up as follows:

K. U. I. (G)—Sliter, goal; Twigg, point; McAmmon, cover; Goodenrie, centre; Reid, left wing; Williams, right wing.

Regiopols (2)—Gilbert, goal; Davidson, point; Grady, cover; Grattan, centre; Coyne, left wing; Irwin, right wing; Referee—H. McCartney.

To Play In Gananoque.

Regiopols seniors will leave for Gananoque on Saturday evening, to play the Tigers a friendly game. Tigers are the champions of the Gananoque league. The locals will line up as follows:

St. James—P. Ritchie, goal; Davidson, point; Grady, cover; Robertson, centre; Grattan, rover; Moran, left wing; Macdonnell, right wing.

Mistake In Name.

On Thursday, the sporting columns of the WEAVER stated that B. N. Steady, manager of the 14th team, ran a sprint with Longboat, but this was a mistake. It was not Mr. Steady, but one of the speedy Toronto players who contested with "Tom."

Portsmouth Won.

An interesting game of hockey took place last night at Rockwood rink between St. James and Portsmouth seniors. The score resulted: Portsmouth, 16; St. James 5. M. Hyland, of the 14th juniors was an impartial referee. The line up was:

St. James—P. Ritchie, goal; Atkinson, point; Rutherford, cover; Turnbull, rover; Smith, centre; W. Ritchie, left wing; Bird, right wing.

Portsmouth—G. Nicholson, goal; P. Ewart, point; C. Hartick, cover; B. Ewart, rover; C. Gravelle, centre; Graham, left wing; Smith, right wing.

How Will Tie Be Played?

The senior soldiers do not know where their last game with T.A.A.C. will be played. The Toronto have gone to play another game with Osgoode Hall before they have finished their section. The soldiers are picked as winners of both games, whether they are played.

Fort Hill Slide.

The slide at the fort hill is in fine condition with the exception of one bump, which is a "beaut." Quite a number were over Thursday afternoon and Thursday evening and enjoyed the hill immensely. A number were also out snowshoeing on Thursday night.

Collegiates Go To Toronto.

The Collegiate junior-intercollegiate team will play its first game in the intercollegiate finals with Varsity III, in Toronto, on Saturday night, after the Queen's Varsity senior game. The locals have been working well for the game and are in good trim. The team will line up as follows:

St. James—P. Ritchie, goal; Davidson, point; Grady, cover; Robertson, centre; Grattan, rover; Moran, left wing; Macdonnell, right wing; Referee—H. McCartney.

Want Sudden Death Game.

Manager Steady, of the 14th, has been in communication with William Hewitt, secretary of the O.H.A., regarding the tie to be played off by 14th and T.A.A.C. In a letter received to-day, Mr. Hewitt states that the T.A.A.C. players say it will be impossible for them to get their players away again, long enough to come to Kingston, and they want a sudden-death game in either Belleville or Peterboro. A meeting will be held in Toronto, at noon, Saturday, when representatives of both teams will be present to try and come to final arrangements. The soldiers want home-and-home games, not a sudden-death

game, and, as champions, are entitled to consideration.

Longboat, billed to appear at a hockey game at Belleville, this week, says he will not be there.

New York sporting writers say that Briscoll is the cleverest hockey. England has ever sent to America.

Toronto World: Two weeks more and the O.H.A. will, in all probability announce its champions for 1909. Kingston looks again to have the call in the senior.

Pitcher Christy Mathewson, the greatest twirler the Giants ever had, has joined the hold-out squad, and declares he will quit baseball forever unless given \$8,000 for the coming season here.

Frank Gotch declares that he was so much disliked in England that he flew a packed house wherever he appeared. "They were waiting in hopes that I would fall and break my neck," says Gotch.

A Despatch despatch says: Longboat will be well backed when he meets Shrub at fifteen miles. The vel skin has many admirers among the people of Deseronto, and surrounding country owing to his keeping ties tight on the water wagon since his return here.

Hamilton Spectator: Basketball in Canada is in a peculiar situation. It is impossible to find two teams in the country capable of giving each other a real hard contest, and nearly all of the scores are very much one-sided, while the games themselves are far from interesting. The visit of the various American teams to Hamilton this spring will prove a welcome relief to the local situation.

"Jimmy" Britt will be given another chance at the lightweight championship, if he defeats Summers, before the National Sporting Club, in London, Eng., on February 22nd. Hugh D. McIntosh, the Australian promoter, received a cable from Battling Nelson, stating that he was ready to meet anybody whom McIntosh might select.

An Australian, McIntosh, immediately went after Britt, who agreed to meet the Dane in case of victory over Summers.

Toronto Globe: Those who know Longboat well have not placed much reliance on his oft-repeated statements of late that Pat Powers is not his manager, that he will not run his fifteen-mile race with Shrub at Belleville, on the 25th, and that hereafter he will do as he pleases in the matter of arranging and running his races, but if the doubtful news could have been seen and heard the Ontario discuss its affairs at Kingston, they would quickly have been impressed with the fact that he is a changed Indian and means business.

The Stomach's Signal. When a meal is followed by distress, flatulency, heartburn, acidity or headache prompt help is needed. The stomach and bowels must be sweetened and cleared and an increased supply of healthy digestive fluids must be secreted. Day's Dyspepsia Cure produces these results every time. Each bottle contains sixteen days' treatment. For sale only at WEAVER'S Drug Store.

Will Meet In London. The annual meeting of the high court of Canada, Canadian Order of Foresters, will be held at London, during the week of June 7th, and the local lodge will make preparations to send delegates. It is expected that the delegates this year will number over five hundred.

Notice. You are invited to see Nordheimer pianos on view in Kirkpatrick's Art Gallery, 139 Princess street. Also Canadian representatives for Steinway & Son's, New York. Catalogues on application.

Genuine Bargains. In fine furs at Campbell Bros' big clearing for sale. See Bibby's special 25c. ties.

FORWARDERS LIMITED Head Office, Kingston, Canada. Capital \$500,000, divided into 2500 shares of Common Stock of \$100.00 each and 2500 shares of 7% Cumulative Preferred Stock of \$100.00 each. PRESIDENT—W. G. CRAIG, Wholesale Grocer, Kingston. VICE-PRES.—G. I. MALLORY, Brockville. DIRECTORS—W. H. COMSTOCK, Brockville. GEO. SCHMIDT, Pembroke. M. E. GALVIN, Detroit.

FORWARDERS, Limited, was incorporated 12th December, 1908, by Letters Patent, from the Dominion of Canada, and was formed to take over and operate as a going concern the Elevator of Cereals Limited, situate on the West side of Gore Street, in the City of Kingston. The promoters of FORWARDERS, Limited, realize that Kingston is the natural port for all lake boats with grain, cargoes for Montreal, and have demonstrated that it is cheaper to transfer cargoes from the large Lake Carriers, through the Elevators into tow barges, which proceed to Montreal and permit the large lake boats to return immediately to Port William or Port Arthur, than for the Lake Carriers to continue to Montreal and return. Statistics have proved that Montreal has captured the European grain trade, it now being more extensive than New York or any other port. The Canadian route is the quickest and shortest for through transportation. A cabinet minister stated recently in the House of Commons that he had been informed that if the Welland Canal were deepened to carry vessels from Duluth to the foot of Lake Ontario, it would hold the trade from the West against the Erie Canal for all time. These conditions tend to make the Port of Kingston permanent and increasingly important. Since the C. P. R. built its first elevator at Fort William each year has seen an increased capacity for storing and transferring grain. In 1908 the storage capacity of Fort William and Port Arthur amounted to 18,852,700 bushels. There are three new elevators now being built and two more projected. By the end of 1909, there will be a capacity of 25,000,000 bushels at these ports to receive, store and transfer the grain that will come from the west. Last year there passed through Kingston and Prescott 30 per cent. of all the grain that left Fort William and Port Arthur and this percentage will increase as facilities increase. The wheat crop alone of 1908 was 106,853,000 bushels, although only about 6 per cent. of arable land of Western Canada was under cultivation. Lord Strathcona predicts that at the end of the century Canada will have a population of 80,000,000, and J. J. Hill has stated his belief that fifty years hence this country will have 50,000,000 people. These few statements will serve to prove the enormous growth and development to be expected in the carrying trade of the St. Lawrence route. The promoters of FORWARDERS, Limited, believe in these possibilities. They have organized to take advantage of them and they invite others to join them. The Moores elevator has been secured in exchange for shares in FORWARDERS, Limited, but barges, tugs and so forth, are required, and additional cash capital must be secured.

FORWARDERS, Limited, have authorized an issue of 7% Cumulative PREFERRED STOCK to be sold to secure additional capital. A prospectus of the Company and application forms will be mailed or delivered to any address. Applications for stock must be accompanied with 10% on account, the balance of the subscription to be paid in instalments of 30% on thirty days notice. Address all applications to R. A. McLELLAND, Man. Dir. Cereals Limited, Kingston.

Walking Made Easy BY WEARING THE ACME CUSHION SHOE. Made with an all-wool felt insole, which relieves all fat on nerves, stimulates blood circulation and protects the foot from heat or cold and dampness. FOR SALE BY The Sawyer Shoe Store

Eczema, Salt Rheum.

Eczema or Salt Rheum, as it is often called, is one of the most agonizing of skin diseases. It manifests itself in little round blisters, which contain an extremely irritating fluid. These break and subsequently a crust or scale is formed.

The intense burning, itching and smarting, especially at night or when the part is exposed to any strong heat, are almost unbearable.

The prominent success which Burdock Blood Bitters has met with in permanently curing a disease of such severity is due to its wonderful blood-purifying and purifying properties.

No other remedy has come, or can do, so much for those who are almost driven to distraction with the terrible tortures, as our thousands of signed testimonials can testify to.

Mrs. John O'Connor, Burlington, N.S., writes:—"For years I suffered with Salt Rheum. I tried a dozen different medicines, but most of them only made it worse. I was advised to try Burdock Blood Bitters. I got a bottle and before I had taken half a dozen doses I could see a change so I continued its use and now I am completely cured. I cannot say too much for your wonderful medicine."

THE PEOPLE ALL In Chorus Cried, Give Us Newbro's Herpicide.

This word of late has been in everyone's mouth, and many are wondering what the word signifies, though no one has yet been found who will deny that NEWBRO'S HERPICIDE does the work. Well, for the information of thousands of people who like to know all about a good thing, we would say that HERPICIDE means, a destroyer or killer of "Herpes." Now "Herpes" is the faculty name of a disease caused by various vegetable parasites. A similar microbe causes dandruff, itching scalp and falling hair; this is the microbe that NEWBRO'S HERPICIDE promptly destroys; after which the hair grows.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich. Two sizes, 50c., and \$1. G. W. Mahood, special agent.

Wah Long's Laundry Removed From 73 Clarence St., to 155 Wellington St., between Brock and Clarence Sts. Best laundry in the city. Goods called for and delivered.

An Adaptable M.P. Canadian Courier. Claude Macdonnell, member of parliament for South Toronto, is a sunny and genial Celt and a stout adherent of the ancient faith, which Mulvaney declared to be "so regimental in her fitting." His loyalty to his church does not prevent his having a host of Protestant friends. The other day, he was in a certain club in Toronto and it was suggested by a party of conventionalists that "there was no use asking Claude" to take a Protestant drink. The answer came back in a flash: "Tut, tut! I take orange bitters." Andrew Carnegie is to give the Cincinnati public library \$100,000 to build three new branches. McCann can assist you to become your own landlord. See Bibby's special 25c. ties.

THE MONTREAL ICE CARNIVAL.

The illustration shows a group of the Holly Snowshoes club surrounding the monument of a past president while passing through the cemetery on their way to the club rendezvous.
