MONTREAL LADY'S | WHAT ICE HOUSES AND STEAM DID FOR HIM.

> Mr. P G. Wella, of 338, Ogden Street, Fort William, Ont. says:—"Following my duties in attending to passenger trains, I often get wet through with rain and steam (the latter in winter). This with hours of duty in icehouses in summer, was no doubt the cause of my contracting rheumatism in both knees, left arm, and shoulder. This got so bad that I could no longer work and was laid off on three different occasions for several weeks during which I was under the treatment of my doctor. I seemed to get little if any better, no matter what I tried, and this my doctor. I seemed to get little if any better, no matter what I tried, and this was my state when Zam-Buk was recommended to me. I laid in a supply, and to my great joy it began to cure me. I rubbed it well in every night, and when a few hoxes had been used found I was free from the pain and stiffness of rheumatism. I have had no more trouble from the disease."

Zam-Buk is a positive and certain cure for cuts, burns, bruises, sprains, piles, festering sores, ulcers, scalds, blood-poisoning, eczema, scabs, chapped hands, cold cracks, chilblains, ringworm, scalp sores, bad leg, diseased ankles, and all other skin diseases and injuries. Rubbed well into the parts affected, it cures neuralgia, rheumatism, and sciatica. All druggists and stores sell at 50 c. box, three for \$1.25 or post free from Zam-Buk Co., Toronto, for price.
