CONFERENCE AND CHARITY. A conference was held in Peterboro, between the mayor and other civic representatives and certain unemployed persons who were clamoring for bread. The talk on one side was made up of sage advice as to the need of industry and economy in Canada, as to the change socially which the conditions involved, as to the difficulty which the city had in meeting the demands for help that were made upon it. The talk on the other side | The public operation of the guillo The Great English Remedy. all the work he could do, and through character. Blood in old Veins.
