and energizing properties, and restore them to their normal condition.

Mrs. Wm. Levi, Markdale, Ont., writes: "I had for several years been troubled with nervousness, and, like many others, spent lots of money on medicine that did me no good. I was so bad that the least noise would make me jump and my heart would thump so you could hear it plainly and I could not lie on my left side at night. I saw a few testimonials of others and decided to try Milburn's Heart and Nerve Pills, and to my great joy and surprise they completely cured me and it only took six boxes to do it. I have a neighbor, Mrs. Rickett, and I induced her to try them and they effected a cure. I can endorse their use for anyone afflicted as I was."
