> An Attempted Burglary. Two interesting facts were ascer-

tained by the detectives. . On the night hefore the murder, that is, on last \* Wednesday, while the family were in the dining-room, the door bell rang, and Mrs. Kinrade, thinking it was one of the regular callers with an order for food and lodging, remarked that it was one of those tramps again, and that they had better not answer the ring. There were no lights in the front part of the house and Mrs. Kinrade thought the caller would go away. Instead of doing so, however, he rang again, and as he got no answer he continued ringing the of Mr. and Mrs. Con. Millan, of the Big Grist Mill Destroyed at De-bell, and rang it seven times in all Finally Mrs. Kinrade remarked that Picton, Ont., March 2.-The big there might be a telegram or sometric Railway company has decided to grist and mill house, at Demorest- thing, and that she had better answer place an extra car on the route be ville, owned by the Crowe estate, and the door.
