Many people are at sea on the question of painting. And it's small wonder—there are so many different painting materials to confuse the man-who-wants-to-paint-his-house that he scarcely knows how to avoid getting one of the numerous poor materials on the market.

SHERWIN-WILLIAMS PAINTS

Give good results because we put good materials into them and manufacture them in the right way. The Sherwin-Williams Co. have been making paints for nearly forty years. The fact that there is a greater demand for Sherwin-Williams Products than for any other paints or varnishes shows that we have been successful in making goods of satisfactory quality. You can be sure of good results if you use a Sherwin-Williams Paint or Varnish. Ask your dealer for color cards. Write for booklet, B-50.

Jersey Cream Sodas

The best flour produced by three leading mills, blended together by our own experts. Yeast made fresh daily. Sweet, clean, whole milk. Best shortening materials.

All ingredients analysed by a Professor of Chemistry. Any found not strictly pure and first quality returned to makers.

No housewife takes such care in the selection of materials for bread as we do for ingredients of McCormick's Jersey Cream Sodas. She couldn't afford to.

And the McCormick-Process—our way of mixing, rolling, cutting, baking, cooling, and packing—is the result of fifty-one years' experience.

Just what this Process means you can judge for yourself by opening a package of our Jersey Cream Sodas:

Break them and note their wonderful crispness. Taste them and—prove their superior flavor. An irresistibly delicious luxury—yet a most wholesome and sustaining food.

McCormick's Jersey Cream Sodas are pre-eminently the best. The "Little Lord Fauntleroy" trade-mark on the package distinguishes them from all others.

THE SPORT REVIEW

THE CITY HOCKEY LEAGUE FINALS TO-NIGHT.

Portsmouth and Regiopolis Seniors and Juniors Clash—Queen's in Fine Shape to Meet the Cliffside.

The final games to be played to-night on the Kingston rink, will, no doubt, draw a record-breaking crowd for the City Hockey League. The teams taking part in the games had their final matches, yesterday afternoon. They are in good shape for the final and should put up a splendid exhibition of amateur hockey. This is the first season that Portsmouth has taken any part in the City Hockey League. Both their junior and senior teams played very hard games, but succeeded in winning their section with a good margin to their credit. They have a heavy line-up and feel quite confident of taking both trophies to Portsmouth this season. Regiopolis College have always figured in the finals. This year their senior team have not only won out their group, but have also returned victorious from many an exhibition game with outside teams. Their players are well known in hockey circles. Martin Sullivan, the one-arm wonder in hockey circles, will be out to win the W. W. Gibson cup for the juniors. "Mart" is but a young lad, but plays a very fast game and shoots hard and true.

The senior game is called to start sharp at 7.45 o'clock. The winners will receive the J. J. Hartly trophy. The teams will line up thus:

Portsmouth—H. Nicholson, goal; L. Ewart, point; Hartick, cover; T. Nicholson, rover; A. Ewart, centre; Smith, right wing; Gravelle, left wing; Regiopolis—Gilbert, goal; Davidson, point; Grady, cover; Gratton, rover; Robertson, centre; Moran, right wing; McDonald, left wing.

The junior game will be played immediately after the senior. The winners will receive the W. W. Gibson trophy. Mr. Gibson will referee this game. The teams will line up: Portsmouth—Kennedy, goal; McGuire, point; Potter, cover; Dennison, rover; Davidson, centre; T. McGuire, right wing; Forsythe, left wing. Regiopolis—Hanley, goal; Folger, point; Yellowley, cover; Sullivan, rover; Hunt, centre; Milhan, right wing; Summerville, left wing.

Queen's And Cliffside.
Queen's will leave on Monday, at 12.25 o'clock, for Ottawa, to play Cliffside for the amateur championship of Canada. The boys are all in good spirits and have been working faithfully for a long time with this end in view. They feel that they have a good chance to lift the cup, and will, in all probability, do so. Queen's will take down one of the strongest teams that has represented the college in some seasons, and the team is in the best of condition, every man being up to the mark. A number of spare men will be taken down in case of an accident. A large crowd are going down with the collegians, many clubs of ten and twenty being organized.

Hardware Team Won.
The Hardware and Grocers played a return hockey game on Zion rink last evening, ending in a win for the "Hard Tack" men, by a score of three to two. In the first game the teams tied, but the Hardware showed their superior staying powers, and won out in this game. Considering the condition of the ice, the hockey played was of first order.

For the first year in the hockey arena, the Hardware have an enviable record, winning three games, tying one, and losing two. The games have created a spirit of friendly rivalry, among the different teams, and the best of feeling has been maintained. The teams were:

Hardware—Goal, Moore; point, Simmons; cover, Harsey; rover, Chown; centre, Gillscholt; wings, McRae and Crawford.

Grocers—Goal, Nowat; point, Henderson; cover, Valliers; rover, Stratford; centre, Rite; wings, Small and Joyce.

The Frivolity Of Toronto.

Toronto News.
The levity of the present day in Toronto is frequently commented upon by elderly persons. During the long-drawn-out election proceedings in connection with the choice of a new bishop of Toronto the levity of downtown people disclosed itself in a somewhat free discussion of the chances of the various nominees, as if they were political candidates, with backers, workers, and interests behind them. We regret to report, also, that prominent Anglicans, and even members of the clergy, were heard to make humorous remarks about the contest, or phrases of it, or persons concerned in it.

A reporter interviewed a layman, not a delegate, and asked him what he thought of the chances of a certain clergyman, whose name was being whispered around as that of a possible "dark horse."

"Well," was the reply, "I would not like to say, but I know he is a fine man, and Rev. Mr. Blank, who has a great deal of influence, is quietly gun-shooting for him."

"I mean he's putting in a useful word for him here and there."

ABERNETHY'S

WHY AM I ILL?
HOW TO TELL

Does every cold affect your back, and cause a feeling of chilliness, followed by disturbance of the kidney action?

Does the use of spirits, tea or beer excite the kidneys? Are you easily worried and annoyed over trifles? Are the feet and hands cold? Circulation bad? Do the feet and legs swell? Is there puffiness under the eyes? Do you have rheumatism, poor eyesight, headaches and backaches? Is there gravel or any unnatural action of the kidneys?

If you have any of the above symptoms your kidneys are either weak or diseased, and these symptoms are warnings of more serious troubles to follow; Bright's Disease, Diabetes or Dropsy.

Whatever you do, whatever you think your disease is, look well to your kidneys at the first sign of anything wrong. Give them just the aid they require in Doan's Kidney Pills, the Great Quaker Kidney Medicine, and see how well and fit you feel after even a few doses.

Mrs. O. Warren, Redmon, Sask., writes: "I was troubled with very severe pain in my back for years. I tried everything I could think of but they did me no good. A friend told me about Doan's Kidney Pills and after taking two boxes, I have not been troubled since."

Price 50 cents per box, or 3 boxes for \$1.25, at all dealers or The T. Milburn Co. Limited, Toronto.

In ordering specify "Doan's."
